**NOTICE REGARDING GUARANTY FUND CREDITS**

---

In 2013, the Delaware Insurance Guaranty Association issued a Class "C" assessment to applicable companies. All assessments were paid during 2013, therefore premium taxes may be offset by 20% of the assessment value beginning in 2014. **Companies claiming credit for Class "C" assessments MUST attach a copy of the Class "C" Certificate of Contribution the company received from the guaranty association to the premium tax forms, or the credit will be denied.** It is the position of the Delaware Insurance Department that only payments for Class "C" assessments are permitted to be applied as premium tax offsets. *Payments for Class "A" and Class "B" assessments may not be applied as premium tax offsets.*

**IMPORTANT:** If a company does not have sufficient tax liability in any given year to apply the full 20% credit for that year, the credit, or any portion of the credit, may not be carried over to another year. Credits may not be applied to fees or other taxes. **Premium tax liability may not be reduced to less than zero.**

**DELAWARE INSURANCE FRAUD PREVENTION BUREAU INFORMATION**

---

The Delaware Insurance Code (18 Del. C., Chapter 24) establishes within the Insurance Department the Delaware Insurance Fraud Prevention Bureau to "confront aggressively the problem of insurance fraud in the State of Delaware by facilitating the detection of insurance fraud, reducing the occurrence of such fraud through administrative enforcement and deterrence, requiring the restitution of fraudulently obtained insurance benefits, and reducing the amount of premium dollars used to pay fraudulent claims". (§2402)

In accordance with 18 Del. C., §2404 (d), a special revolving fund designated as the Delaware Insurance Fraud Auxiliary Fund has been created within the Bureau to be used by the Bureau in the performance of the various functions and duties required of the Bureau by law. 18 Del. C., §2415, further provides that the cost of administration and operation of the Bureau shall be borne by all of the insurance companies admitted or authorized to transact the business of insurance in this State. The Commissioner is required to assess \$750.00 annually against each insurance company to provide the funds necessary for the operation of the Bureau.

These funds are collected by the Insurance Department on behalf of the Bureau and are deposited into the Delaware Insurance Fraud Auxiliary Fund. Due to the separate nature of this special fund, the Delaware Insurance Department considers the Fraud Prevention Bureau Fee to be a Special Purpose Assessment and therefore does not allow the fee amount paid to the State of Delaware to be included in retaliatory tax calculation.

---

**FOREIGN INSURERS' RETALIATORY PROVISION**

---

The Delaware Insurance Code (18 Del. C., §532) requires the Commissioner to impose upon all insurers domiciled in another state or foreign country those same taxes, licenses, and other fees of any kind that would be imposed on a Delaware domiciled insurer writing similar lines and volumes of business in said state or country. If that aggregate sum is in excess to the taxes, licenses, and fees, in the aggregate of Delaware, the difference must be paid to Delaware in the form of a retaliatory tax. Include finance and service charges.

Any tax, license, or other fee imposed by any city, county, or other political subdivision or agency of the home state shall be deemed to be imposed by that state. NOTE: Alien insurers shall use their port-of-entry state for determining retaliatory tax.

In accordance with Delaware Department of Insurance Bulletin No. 7, credits for Guaranty Fund payments are not factored into retaliatory tax calculations. Retaliatory tax is to be calculated on a gross written basis as described in 18 Del. C., §702.

---

**DELAWARE DOMESTIC INSURERS' PRIVILEGE TAX**

---

According to 18 Del. C., §703, all insurers domiciled in the state of Delaware shall be subject to this additional annual tax.

**>ALL DELAWARE DOMESTIC INSURERS MUST COMPLETE WFT-2 EVEN IF THE COMPANY DOES NOT OWE PRIVILEGE TAX.<**

Delaware domestic insurers who write 50% or more of their business on persons or property located within the state of Delaware shall be exempt from payment of the privilege tax pursuant to 18 Del. C., §703 (c). However, WF T-2 must still be completed.

---

**ADMINISTRATIVE PENALTIES**

---

Delaware law provides for administrative penalties against companies when a premium tax report is received late or if the premium tax report filing is incomplete. Companies will be assessed a penalty of \$100.00 per calendar day beginning the first business day after the filing is due and continuing until the complete filing is received. To avoid penalties, please be sure all forms are completed fully and correctly and all required attachments are submitted in a timely manner. (See Mailing Instructions)
