
DMAB COUNSELING SITES

Effective May 21, 2014, ELDER*info* is now the Delaware Medicare Assistance Bureau “DMAB”. We will be providing the same services on which we have built our reputation with the citizens of Delaware. Other than the department name, all other details and structures of the department remain unchanged. While Medicare is a federal program, the department’s DMAB division can help Delawareans with Medicare make sense of the complex health insurance system. All DMAB services are completely free.

Following, is a listing of participating DMAB counseling sites throughout Delaware. For the name of the counselor and counseling hours at the site nearest you, please call (800) 336-9500. If you are not able to visit the site, a counselor will call you to answer your questions.

Counselors with DMAB are volunteers who have completed extensive training on health insurance. Counselors provide one-on-one assistance in an objective and confidential manner.
