Re: **Statement Regarding the Affiliation of BCBSD, Inc. d/b/a Blue Cross and Blue Shield of Delaware ("BCBSD") with Highmark Inc. ("Highmark")**

Dear Commissioner Stewart:

We are enclosing for filing on behalf of Highmark a full and complete paper copy and a copy on compact disk (CD) of the above-captioned Affiliation Statement dated October 7, 2010. It is our understanding that the contents of the CD will be uploaded to the Department's Website. Separately, we are forwarding to you a "PDF" copy of the Affiliation Statement in a ZIP file.

The Affiliation Statement is in the format of a "Form A" filing, which is required of a person seeking to acquire control of a Delaware domestic insurer if that insurer were subject to the requirements of 18 *Del. C.* §5001, et seq., the "Delaware Insurance Holding Company Registration Act" (the "Holding Company Act"), and 18 Del. Admin. C. §1800, *et seq.*, the "Delaware Registration of Insurance Holding Companies Regulation" (the "Holding Company Regulation"). While BCBSD, as a "health service corporation" governed by 18 *Del C.* §6301, *et seq.*, is not subject to the Holding Company Act or the Holding Company Regulation, Highmark recognizes that BCBSD is subject to the Delaware Insurance Commissioner's general regulatory authority under 18 *Del. C.* §301, *et seq.* Accordingly, Highmark is submitting this proposed transaction to the Delaware Insurance Department ("Department") for approval in the format of a Form A pursuant to oral agreement with counsel for the Department and subject to further direction from the Department as to the procedure and authority under which the Department would propose to review the transaction.

It is our understanding that a filing fee in the amount of $100.00 is normally required for a Form A filing so we are enclosing a check in that amount.

As is described in the Affiliation Statement, Highmark and BCBSD propose to affiliate (the "Affiliation") pursuant to a Business Affiliation Agreement, which is included as an exhibit

to the Affiliation Statement. The Affiliation is not an acquisition, merger, conversion, stock purchase, asset purchase or consolidation. Rather, Highmark, a Pennsylvania nonprofit corporation, will become the sole member of BCBSD, which will continue as a separate Delaware nonstock corporation, subject, as it is today, to regulation by the Department. Highmark also will become the primary Blue Cross Blue Shield Association ("BCBSA") licensee in Delaware, with BCBSD becoming a "controlled affiliate" of Highmark (within the meaning of BCBSA rules), with the right, derivative from Highmark, to continued use of the "Blue" names and service marks in Delaware. As a condition to becoming the BCBSA primary licensee in Delaware, Highmark will be required to certify to BCBSA that Highmark guarantees to the full extent of its assets, all of the contractual and financial obligations of BCBSD to its customers. The Affiliation will be accomplished by amending and restating the Certificate of Incorporation and the Bylaws of BCBSD. Copies of the proposed amended and restated Certificate of Incorporation and Bylaws are included in the enclosed filing.

You will note that Exhibits 8, 9 and 10 (biographical affidavits and projected balance sheets and income statements) will be filed under separate cover as supplemental filings. We ask that all biographical affidavits, when submitted, be afforded confidential treatment and be excepted from disclosure to the fullest extent permitted under Delaware law because they contain personal information which we wish to maintain as confidential. We also request that Highmark be notified in advance if any person requests access to any of the affidavits so that they have the opportunity to take action to prevent or limit any such disclosure.

We look forward to working with your Department in this matter and appreciate your courtesy and assistance.

Yours truly,

MITCHELL, WILLIAMS, SELIG,
GATES & WOODYARD, P.L.L.C.

Item 1. Health Service Corporation and Method of Affiliation.

BCBSD

The name and principal business address of BCBSD, the domestic health service corporation to which this Statement relates, is:

BCBSD, Inc.
d/b/a Blue Cross and Blue Shield of Delaware
800 Delaware Ave, Ste 900
Wilmington, DE 19801-1368

BCBSD is a Delaware nonstock corporation authorized as a nonprofit health service corporation under Title 18, Chapter 63 of the Delaware Code, which Chapter was enacted in 1968. Under various corporate names, BCBSD has continuously operated as a nonprofit health service corporation in the State of Delaware since 1935. BCBSD is headquartered in Wilmington, Delaware and provides various types of insured health coverage as well as non-insured health plan administrative services to individuals, groups and governmental entities in the State of Delaware. BCBSD is licensed by the national Blue Cross and Blue Shield Association ("BCBSA"), which owns the "Blue" names and trademarks, to market health insurance using the Blue names and trademarks throughout Delaware.

BCBSD has advised Highmark that, for many years, BCBSD has recognized that smaller, independent plans, such as BCBSD, would increasingly struggle to generate the capital to make the investments necessary to enable them to remain competitive in a rapidly changing marketplace. BCBSD further has advised Highmark that, based on that recognition, BCBSD began seeking an appropriate partner for an affiliation to position it for long-term success, allowing it to maintain a strong local presence in Delaware while retaining the local character of its products and services.

BCBSD advised Highmark that, to that end, BCBSD, after regulatory review, consummated an affiliation with CareFirst, Inc. ("CFI") in 2000. However, it is Highmark's understanding from BCBSD that legislation adopted in Maryland in 2003 ultimately led to the disaffiliation of CFI and BCBSD in 2006. Highmark understands that affiliation remained a long term goal of BCBSD and that BCBSD advised the Department following the disaffiliation that, among its first orders of business at the corporate strategy level was the identification of a new strategic partner.

Recently adopted federal health care reform legislation, the "Patient Protection and Affordable Care Act" ("PPACA") further validates BCBSD's approach. The effect of this legislation will be a fundamental shift in the way health insurance products and services are delivered in the United States. In the post-reform market, smaller plans, such as BCBSD, will be under even greater pressure to achieve the scale and efficiencies enjoyed by larger plans which will be necessary to continue to remain competitive over the long-term.

BCBSD has advised Highmark that, following the disaffiliation from CFI, BCBSD conducted a thorough review of its alternatives, and that, as a result of that review, BCBSD determined that an affiliation with Highmark offers it an opportunity to meet all of its key objectives and to retain its not-for-profit status. Highmark offers BCBSD, among other things, access to significant economies of scale; proven, state-of-the-art systems and technology; and extensive experience and expertise in the development and marketing of innovative products and services geared for a changing market. An affiliation with Highmark will also afford BCBSD an efficient path to effective competition in a post-reform market and significant added value for BCBSD stakeholders (members, providers and the Delaware community at large).

Method of Affiliation

Highmark and BCBSD will affiliate (the "Affiliation") pursuant to a Business Affiliation Agreement, attached hereto as **Exhibit 1** (the "Affiliation Agreement"), and related ancillary agreements.

The Affiliation is *not* an acquisition, merger, conversion, stock purchase, asset purchase or consolidation. Rather, Highmark, a Pennsylvania nonprofit corporation, will become the sole member of BCBSD, which will continue as a separate Delaware nonstock corporation, subject, as it is today, to regulation by the Department.[2] Highmark also will become the primary BCBSA licensee in Delaware, with BCBSD becoming a "controlled affiliate" of Highmark (within the meaning of BCBSA rules), with the right, derivative from Highmark, to continued use of the "Blue" names and service marks in Delaware.[3] As a condition to becoming the BCBSA primary licensee in Delaware, Highmark will be required to certify to BCBSA that Highmark guarantees to the full extent of its assets, all of the contractual and financial obligations of BCBSD to its customers.[4]

The Affiliation will be accomplished by amending and restating the Certificate of Incorporation and the Bylaws of BCBSD. Copies of the proposed amended and restated Certificate of Incorporation (the "Certificate") and Bylaws (the "Bylaws") are attached hereto as **Exhibit 2** and **Exhibit 3**, respectively.[5]

Pursuant to the Certificate and Bylaws, the BCBSD Board of Directors will be comprised of nine (9) directors. Four (4) directors will constitute the "Class A Directors" who must at all times be independent of Highmark. Another four (4) directors will constitute the "Class B Directors" who, for the first three (3) years after the closing of the Affiliation, will include the

chief executive officer of Highmark and two other executive officers of Highmark. The ninth director will be the President of BCBSD.[6]

The initial Class A Directors will be designated by BCBSD in its sole discretion prior to closing of the transactions contemplated by the Affiliation Agreement ("Closing").[7] These directors will be comprised of four to - be - designated persons who are expected to be persons currently serving on BCBSD's existing board of directors. Thereafter, Highmark as sole member will elect the Class A Directors from persons nominated by a committee of the Board of Directors (the "Nominating Committee"), comprised solely of Class A Directors.[8] The Nominating Committee also will have the right to select an individual who will have the power and right to observe Highmark Board of Directors proceedings. (Such person will have no voting rights on the Highmark Board.)[9] The Nominating Committee will not nominate the Class B Directors, who will instead be selected by Highmark in its discretion (subject to the provisions described above).[10]

The Bylaws provide that the Class A Directors will have the right to terminate the Affiliation, to remove Highmark as the sole member of BCBSD, and to seek the return of BCBSD's status as BCBSA's primary "Blue" licensee in Delaware if certain events occur, including: (i) Highmark converts to a for-profit corporation; (ii) Highmark becomes insolvent; (iii) Highmark loses the right to use the "Blue" names and marks in the State of Delaware; or (iv) certain changes occur in Pennsylvania law which affect the manner of selection or powers of the Highmark Board of Directors.[11]

The Affiliation Agreement contemplates that Highmark will provide a broad range of services to BCBSD at cost under an Administrative Services Agreement ("Administrative Services Agreement"), which is attached as **Exhibit 4,** and will make available financing to BCBSD upon fair and reasonable terms under a Line of Credit Agreement ("Line of Credit Agreement") if BCBSD should require access to such financing in order to defray the costs associated with migrating to Highmark's systems infrastructure.[12] The Line of Credit Agreement is attached as **Exhibit 5**.

Item 2. Highmark.

(a) Address of Highmark

Highmark Inc.
Fifth Avenue Place
120 Fifth Avenue
Pittsburgh, PA 15222-3099

(b) Nature of Highmark's Business Operations

Highmark is a Pennsylvania nonprofit corporation authorized by the Pennsylvania Insurance Department (the "Pennsylvania Department") to operate a hospital plan and a professional health services plan in Pennsylvania pursuant to Pennsylvania's Health Plan Corporations Act, 40 Pa. C.S. §§ 6101-6127 and §§ 6301-6335. Under this authority, Highmark provides traditional indemnity, or "fee for service," health care insurance coverage to groups and individuals in Pennsylvania. Highmark also functions as an administrative services only (ASO) provider for certain self-insured groups. As an independent licensee of BCBSA, Highmark operates as Highmark Blue Cross Blue Shield in the 29 western-most counties of Pennsylvania and as Highmark Blue Shield in the remaining counties of the Commonwealth.[13] Highmark is one of four "Blue" plans in Pennsylvania and one of 39 "Blue" plans (including BCBSD) in the nation.

Highmark serves the 29 western-most counties of Pennsylvania and 21 counties of central Pennsylvania and the Lehigh Valley as a full-service health plan, offering health care coverage, on both an insured and self-insured basis, to groups and individuals. As a party to joint operating agreements, Highmark also provides professional health services coverage in conjunction with hospital coverage provided by Blue Cross of Northeastern Pennsylvania ("BCNEPA") in northeastern Pennsylvania and by Independence Blue Cross ("IBC") in southeastern Pennsylvania. Highmark does not provide indemnity coverage for hospital services in northeastern or southeastern Pennsylvania. In addition to its indemnity coverage, Highmark also offers health insurance coverage in 49 of Pennsylvania's 67 counties (excluding the five counties in the IBC service area and other counties in northeastern Pennsylvania), through a non-Medicare preferred-provider organization (PPO) program.

Highmark's wholly owned subsidiary, Keystone Health Plan West, Inc., offers health maintenance organization (HMO) coverage in western Pennsylvania to both the over-65 and under-65 group and individual insurance markets. Highmark has two other insurance subsidiaries which provide group and individual Medicare products: Highmark Senior Resources Inc., which offers Medicare Part D prescription drug coverage in Pennsylvania and West Virginia, and HM Health Insurance Company d/b/a Highmark Health Insurance Company ("HHIC"), which offers Medicare Advantage plans in West Virginia. HHIC also recently began

[13] Highmark's license agreements with BCBSA permit Highmark to operate as Highmark Blue Cross Blue Shield in the western portion of Centre County and as Highmark Blue Shield in the eastern portion of Centre County.

offering small group coverage (for employers with 50 or fewer employees) in certain counties of Pennsylvania. Highmark also offers Medicare Advantage products, as well as Medicare supplemental products, to the individual and group markets in western Pennsylvania, central Pennsylvania and parts of northeastern Pennsylvania. In northeastern Pennsylvania, the supplemental products are jointly underwritten with BCNEPA and the Medicare Advantage products are provided by Highmark.

In addition to its health insurance operations in Pennsylvania, Highmark has a number of affiliated insurers and dental and vision care affiliates doing business in that state and in other jurisdictions, including:

- HM Insurance Group, Inc. ("HMIG") which, through its subsidiaries, HM Life Insurance Company and HM Life Insurance Company of New York, is a recognized leader in stop loss and reinsurance. HMIG's subsidiaries, which also include Highmark Casualty Insurance Company and HM Casualty Insurance Company, hold insurance licenses in 50 states and the District of Columbia and maintain 25 regional sales offices across the country.
- United Concordia Companies, Inc. ("UCCI") and its subsidiaries, which offer a broad range of dental insurance products and services to members nationwide, employing more than 1,300 people in 30 offices located throughout the United States.
- HVHC Inc. which, as the owner of New York-based Davis Vision, Inc. ("Davis Vision"), New Jersey-based Viva Optique, Inc. ("VIVA") and Texas-based Eye Care Centers of America, Inc. ("ECCA"), comprises one of the nation's largest vision companies. Davis Vision provides comprehensive vision benefits to more than 55 million members nationwide. Viva is a worldwide leader in ophthalmic frames and sunglass distribution and manufacturing. ECCA, with more than 400 retail stores in 36 states, is the third largest retail optical chain in the U.S.

Non-insurance subsidiaries of Highmark include its wholly owned subsidiary Highmark Medicare Services Inc. ("HMS"). With offices in Pennsylvania and Maryland, HMS acts as a Medicare Administrative Contractor under a contract with the Centers for Medicare & Medicaid Services, performing Medicare Part A and Part B fee-for-service claims adjudication and other administrative services for hospitals, other institutional providers, physicians and other health care practitioners in Delaware, Maryland, New Jersey and Pennsylvania, as well as the District of Columbia.

Highmark's controlled affiliate, Highmark West Virginia, Inc. d/b/a Mountain State Blue Cross Blue Shield, a West Virginia nonprofit health services corporation ("Mountain State"), is particularly noteworthy in the context of this Statement. Mountain State, which offers a variety of health insurance products and services to customers in West Virginia, began its relationship with Highmark in 1999. In 2004, Highmark became the sole member of Mountain State pursuant to a Business Affiliation Agreement similar to the Affiliation Agreement with BCBSD which is the subject of this Statement. Mountain State's articles of incorporation and bylaws provide Highmark

with the power to elect all of the members of the Mountain State Board of Directors (subject to certain restrictions), and Highmark is the primary BCBSA licensee for West Virginia, with Mountain State its "controlled affiliate" in that state.

(c) Organizational Charts of Highmark.

A chart reflecting the identities and interrelationships of Highmark and its current affiliates (other than any affiliate whose total assets are equal to or less than ½ of 1% of the total assets of Highmark) is attached as **Exhibit 6**. (*Pre-Affiliation*)

A chart depicting the identities and interrelationships among Highmark, its current affiliates (other than any affiliate whose total assets are equal to or less than ½ of 1% of the total assets of Highmark) and BCBSD following the affiliation is attached as **Exhibit 7**. (*Post-Affiliation*)

No court proceedings involving a reorganization or liquidation are pending with respect to any such person.

The business addresses for the above individuals are provided as set forth in Section (b) of Item 3 below.

(b) Present Principal Business Activity, Occupation or Employment

The present principal business activity, occupation or employment, including positions and offices held, and the name, principal business and address of any corporation or other organization in which such employment is carried on, with respect to the directors and executive officers of Highmark listed in (a) above are included in the biographical affidavits for such persons. Such biographical affidavits will be filed separately, as **Exhibit 8**, in a filing ("Confidential Filing") of all materials submitted in conjunction herewith that Highmark requests be treated as confidential and/or proprietary and preserved from public disclosure.

(c) Material Occupations, Positions, Offices or Employment.

The material occupations, positions, offices or employment during the last five years, including the starting and ending dates of each and the name, principal business and address of any business corporation or other organization in which each such occupation, position, office or employment was carried on, with respect to the directors and executive officers of Highmark listed in (a) above are included in the biographical affidavits included in **Exhibit 8**. Except as set forth in **Exhibit 8**, no such occupation, position, office or employment required licensing by or registration with any federal, state or municipal governmental agency. The current status of any such licensing or registration, and an explanation of any surrender, revocation, suspension or disciplinary proceedings in connection therewith, are stated in the biographical affidavits.

To the best knowledge, information and belief of Highmark, no person listed in (a) above has been convicted in a criminal proceeding (excluding minor traffic violations) during the last ten years.

Item 4. Nature, Source and Amount of Consideration.

This item is not applicable because the transaction is not an acquisition and there will be no cash consideration or exchange of any voting stock of Highmark or any of Highmark's subsidiaries or affiliates.

Item 5. Future Plans of Insurer.

Highmark has no present plans to liquidate BCBSD, sell its assets to or merge it with any person or persons. As a nonstock company, BCBSD does not make ordinary or extraordinary dividends at any time.

As noted above, the Affiliation is modeled, in part, on Highmark's successful relationship with Mountain State. Highmark has worked cooperatively with Mountain State to develop appropriate strategies to realize the economic value to Mountain State of its relationship with Highmark while balancing Mountain State's needs and challenges as a regional plan and its desire to maintain a strong local presence as a nonprofit plan in West Virginia. Highmark anticipates that it will work cooperatively with BCBSD to plan and, following the Closing, implement appropriate improvements to the operations of BCBSD to similarly realize the benefit of the Affiliation to BCBSD, its members, its providers and the communities served by it while still enabling BCBSD to maintain its strong local presence in Delaware.

As also noted above, following the Closing, Highmark will provide BCBSD with various corporate and administrative services, including infrastructure, technology, software and hardware support, through the Administrative Services Agreement. These services will be provided at cost including a reasonable allocation of administrative overhead, but will not include any provision for profit. Additionally, under the Line of Credit Agreement, a line of credit from Highmark to BCBSD will be established to help BCBSD finance, if or as needed, improvements to its infrastructure and/or to address transition matters. This line of credit is made on terms that are fair and reasonable to Highmark and BCBSD.

The parties have already entered into an interim services agreement pursuant to which Highmark will provide certain services to BCBSD which it currently receives from CareFirst. Highmark will provide these services to BCBSD prior to Closing while an integration plan will be developed for the transition to Highmark of the additional services indicated above following the Closing. The parties are committed to having the integration plan completed and ready for implementation by the Closing.

Highmark and BCBSD anticipate that a BCBSD affiliation with Highmark will have a positive long term impact on BCBSD's financial well being. BCBSD has not completed its *pro forma* financial projections for future years, inclusive of the impact of the affiliation on BCBSD. However, these materials will be prepared and filed separately, when completed, and will be identified as **Exhibit 9**.

Highmark has no current plans to replace the current officers of BCBSD. As discussed in more detail in Item 1, the Board of Directors of BCBSD will be reorganized as set forth in the Certificate and Bylaws. After the Closing, the Board of Directors of BCBSD will consist of nine members, including four (4) Class A Directors who may not be affiliated with Highmark in any way. The initial Class A Directors will be nominated by BCBSD in its sole discretion prior to closing. It is expected that BCBSD will nominate individuals currently serving on the Board of BCBSD for these four Class A seats, which will provide continuity during the Affiliation

transition. In addition to the Class A Directors, the President of BCBSD will be a member of the Board of Directors. It is anticipated that Tim Constantine, the current BCBSD President, will serve as BCBSD President immediately after the Closing. The four (4) Class B Directors initially will include at least three (3) executive officers of Highmark, including Highmark's Chief Executive Officer.

The names of the proposed initial Class B Directors of BCBSD on and after the Closing will be provided to the Department when they are designated by Highmark, along with all required biographical affidavits. The biographical affidavits will be filed separately as part of the Confidential Filing and will be identified as **Exhibit 10**.

Items 6 to 11.

These items are not applicable because, as a nonstock corporation, BCBSD does not have any voting securities and this transaction does not involve the sale or purchase of voting securities.

Recitals:

WHEREAS, Highmark (individually or through one or more of its Subsidiaries) and BCBSD have been separately engaged in, among other matters, the business of providing health care benefits and other products to contract holders principally in Pennsylvania and West Virginia and Delaware, respectively (the "**Business**"); and

WHEREAS, BCBSD and Highmark share a common mission and vision of quality healthcare and improving health status; and

WHEREAS, BCBSD has determined that Highmark has the infrastructure, tools, capital resources, business processes and expertise, and provides access to economies of scale, required by BCBSD to enable it to fully execute on its mission and vision; and

WHEREAS, the Board of Directors of BCBSD deems it advisable and in the best long term interests of BCBSD and its subscribers, consistent with the corporate purposes and mission of BCBSD, that BCBSD and Highmark enter into a business affiliation in order to advance such purposes and mission; and

WHEREAS, the Board of Directors of Highmark and the Board of Directors of BCBSD deem it in the best interests of their respective companies, members, employees, suppliers, customers, creditors, and their respective communities in which each operates, that Highmark and BCBSD should affiliate and carry on the Business by providing for Highmark to become the sole member of BCBSD (the "**Affiliation**"), all on the terms and subject to the conditions of this Agreement and the other ancillary agreements executed and delivered pursuant hereto; and

WHEREAS, Highmark recognizes that it will be a condition precedent to its obtaining, and thereafter maintaining, the primary Blue Cross and Blue Shield licenses for Delaware that it guarantee BCBSD's claims liability to customers and that BCBSD maintain adequate levels of capital as prescribed by the BCBSA; and

WHEREAS, the Boards of Directors of Highmark and BCBSD have approved the Affiliation upon the terms and subject to the conditions set forth in this Agreement; and

No BCBSD Company is bound by any non-competition agreements or similar restrictions on their respective businesses.

Section 5.17 Intellectual Property.

The BCBSD Initial Disclosure sets forth a list of all: (a) patents, patent applications and registered trademarks and copyrights, material unregistered trademarks and copyrights, material trade secrets, trade names, assumed names and brand names used in or necessary for the business of any BCBSD Company and (b) rights, licenses, permissions and other agreements relating to technology, know-how, software or processes currently used in or necessary for the business of each BCBSD Company (except for any license, right, permission or other agreement implied by the sale of a product (including software products) and any perpetual, paid-up license, right, permission or agreement for commonly available software programs with a value of less than $5,000), whether proprietary to such BCBSD Company or licensed or authorized to be used by others (the items set forth in clauses (a) and (b) above are collectively referred to herein as the "**BCBSD Intellectual Property**"). The patents, trademarks and copyrights that constitute BCBSD Intellectual Property are valid, subsisting and enforceable, and the patents, registered trademarks and registered copyrights are duly recorded in the name of such BCBSD Company. Such BCBSD Company has the sole and exclusive ownership and right, free from any liens, to use the BCBSD Intellectual Property, and the consummation of the transactions contemplated hereby will not alter or impair any such rights. No claims have been asserted by any Person with respect to, or challenging or questioning, the ownership, validity, enforceability or use of, the BCBSD Intellectual Property, nor, to BCBSD's knowledge, is there a valid basis for any such claim. To BCBSD's knowledge, the use or other exploitation of such BCBSD Intellectual Property by such BCBSD Company does not infringe on the rights of any other Person. To BCBSD's knowledge, no

Person is infringing on the rights of such BCBSD Company with respect to such BCBSD Intellectual Property and such BCBSD Company has no reasonable basis to claim such an infringement.

Section 5.18 Insurance.

The BCBSD Initial Disclosure sets forth an accurate summary of all general liability, product liability, fire, casualty, directors and officers, executives and officers, motor vehicle and other insurance and bonds currently maintained by each BCBSD Company. Each BCBSD Company is in compliance with all material requirements and provisions thereof, and each BCBSD Company has complied, in all material respects, with the requirements and recommendations of any Governmental Entity with respect to any such insurance policy. BCBSD has delivered or made available to Highmark true and complete copies of all insurance policies relating to such coverage. No notice of cancellation or non-renewal has been given to or received by any BCBSD Company with respect to any of its insurance policies, and no such policies are subject to any retroactive rate or audit adjustments or coinsurance arrangements. Each BCBSD Company has timely filed claims with its respective insurers with respect to all material matters and occurrences for which it believes it has coverage.

Section 5.19 Certain Interests.

None of the present or, to the knowledge of BCBSD, former directors, trustees or Executive Employees of any BCBSD Company: (a) owns, directly or indirectly, any interest in (except for stock holdings not in excess of ten percent (10%) held solely for investment purposes in securities which are listed on a national securities exchange or which are regularly traded in the over-the-counter market), or is an owner, sole proprietor, stockholder, partner, director, officer, employee, provider, consultant or agent of any Person which is a competitor, lessor, lessee or customer of or supplier of goods or services to, any BCBSD Company, except where the value to such individual or any such arrangement with the BCBSD Company has been less than $100,000 in the last 12 months; (b) owns directly or indirectly, in whole or in part, any real property, leasehold interests, tangible property or intangible property with a fair market value in excess of $100,000 which any BCBSD Company currently uses in its business; (c) has sold to, or purchased from, any BCBSD Company any assets or property for consideration in excess of $100,000 in the aggregate since December 31, 2009; (d) is a party to any Contract pursuant to which any BCBSD Company provides office space to any such individual or entity, or provides services of any nature to any such individual or entity, except where such individual is an employee of any BCBSD Company, in each case where the amount involved has been greater than $100,000 in the last 12 months or is reasonably expected to be greater than $100,000 in the 12 months following the date of this Agreement; or (e) has, since December 31, 2009, engaged in any other material transaction with any BCBSD Company (other than in connection with such person's employment relationship, if any).

Section 5.20 Disclosure.

All agreements, attachments, schedules, appendices, exhibits, documents, certificates, reports or statements provided to Highmark by or on behalf of BCBSD in connection with this Agreement or the transactions contemplated hereby are true, complete and accurate in all material respects, and no representation or warranty made in this Agreement or information furnished pursuant hereto to Highmark (including information contained in the documents referred to herein) contains any material untrue statement of fact or fails to include a material fact necessary in order to make the statements contained herein or therein, in light of the circumstances under which they are made, not misleading. The disclosure of any information is not, and shall not be deemed to be, a representation that such information was required to be disclosed pursuant to this Agreement. Information disclosed for one purpose shall be deemed to be disclosed for all other applicable purposes.

Section 5.21 No Other Representations or Warranties.

(a) BCBSD acknowledges and agrees that it has made its own inquiry and investigation into, and, based thereon, has formed an independent judgment concerning, Highmark and the Highmark Companies and their businesses and operations, and BCBSD has requested such documents and information from Highmark as it considers material in determining whether to enter into this Agreement and to consummate the transactions contemplated in this Agreement. BCBSD acknowledges and agrees that it has had an opportunity to ask all questions of and receive answers from Highmark in determining whether to enter into this Agreement and to consummate the transactions contemplated in this Agreement.

(b) BCBSD agrees that, except for the representations and warranties made by Highmark that are expressly set forth herein and in any certificate provided pursuant to this Agreement, neither Highmark nor any other Person has made and shall not be deemed to have made any representation or warranty of any kind.

(c) BCBSD hereby represents that it has not relied upon any statement, fact, representation, information or other communication by Highmark or any of its Representatives other than those representations and warranties contained in this Agreement in determining whether to enter into this Agreement.

ARTICLE VI

CERTAIN COVENANTS

Each of Highmark and BCBSD agrees, except as otherwise required or contemplated by this Agreement, from the date hereof to the Closing Date, to the following covenants, and Highmark will cause the Highmark Companies, and BCBSD will cause the other BCBSD Companies, to comply with the following covenants:

Section 6.1 Conduct of BCBSD Business.

(a) Except as disclosed in the BCBSD Initial Disclosure (without giving effect to any supplement to such Initial Disclosure), none of BCBSD and its Subsidiaries shall, without the written consent of Highmark: (i) conduct its business other than in the ordinary course; (ii) adopt a plan of complete or partial liquidation or adopt resolutions providing for the complete or partial liquidation, dissolution, consolidation, merger, restructuring or recapitalization of BCBSD or any of its Subsidiaries; (iii) make any sale, purchase, transfer, lease or other disposition or acquisition of any assets in excess of $10 million (in the aggregate since December 31, 2009) or mortgage, pledge or otherwise create or obtain a security interest in any assets in excess of $10 million (in the aggregate since December 31, 2009) other than in the ordinary course of business; (iv) grant any increase in compensation to any employee of BCBSD or its Subsidiaries which increase is in excess of 20% of the level of such compensation as of December 31, 2009, other than any increase which is (A) in the ordinary course of business or (B) as disclosed in the BCBSD Initial Disclosure without giving effect to any supplement to such Disclosure; (v) fail to maintain the books, accounts and records on a basis consistent with past practice; (vi) create, incur or assume any indebtedness, including the guaranty of any indebtedness, in excess of $10 million (in the aggregate since December 31, 2009), except for accounts payable in the ordinary course of business, for money borrowed in connection with its business; (vii) enter into, modify or change in any way any existing lease, license (other than its license with the BCBSA as contemplated hereby), Contract or other document, other than a lease, license, Contract or other document modified or changed in the ordinary course of business, or that, either individually or in the aggregate, provides for payments to or receipts from BCBSD or its Subsidiaries of not more than $10 million during any 12-month period; (viii) effect

any transaction with any other unrelated Person, the terms of which are not commercially reasonable or are other than on an arm's length basis and which, in either case, involves payments to or receipts from BCBSD or its Subsidiaries in excess of $10 million; (ix) take any action (other than in the ordinary course of business) that would cause any of its representations and warranties made in this Agreement not to remain true and correct in all material respects (except that as to any statement in a representation or warranty that expressly includes a standard of materiality, BCBSD shall not take any action that would cause such statement not to be true and correct in all respects giving effect to such standard); (x) amend its certificate of incorporation, bylaws or other comparable charter or organizational documents other than as contemplated by this Agreement; (xi) issue, deliver, sell, award, pledge, dispose of or otherwise encumber or authorize or propose the issuance, delivery, grant, sale, award, pledge or other encumbrance or authorization of, any shares of its capital stock, any other equity or voting securities or rights or any securities convertible into, or any rights, warrants or options to acquire, any such shares, equity or voting securities or convertible securities or voting rights; (xii) prepay any expenses or obligations of BCBSD or its Subsidiaries in excess of $10 million, except in accordance with the terms of applicable Contracts, past practices or in the ordinary course of business; (xiii) adopt or amend any of the BCBSD Plans, except in the ordinary course of business, as disclosed in the BCBSD Initial Disclosure or as required by law or to maintain the qualified status of any BCBSD Plan to which Section 401(a) of the Code applies; (xiv) except in the ordinary course of business, or as contemplated under this Agreement, amend or otherwise change the terms of any BCBSD Material Contract; or (xv) take any action that would cause a Change of Control of BCBSD or any of its Subsidiaries, (xvi) enter into any Contract with respect to any of the actions prohibited by the foregoing; or (xvii) settle or compromise any pending or threatened suit, action or claim relating to this Agreement or the transactions contemplated by this Agreement.

(b) From the date hereof until the Closing Date, each Party shall keep the other Party advised of any significant decisions concerning the business or prospects of its business and shall use its commercially reasonable efforts to preserve the business and prospects of its business, including the goodwill of its employees.

(c) Neither Party shall take any action, including amending its organizational documents, nor omit to take any action, which would cause that Party to no longer be an "existing Blue Cross or Blue Shield organization" as defined in Section 833(c)(2) of the Code.

Section 6.2 Access.

Between the date hereof and the Closing Date, each Party shall permit the other Party and its management, counsel, accountants, auditors and other representatives and advisors reasonable access, upon reasonable prior notice, during normal business hours of such Party, to the personnel, properties, books, records and Contracts relevant to the transactions contemplated by the Affiliation and the representations, warranties and covenants set forth herein. The representations and warranties contained herein shall not be affected or deemed waived by reason of the fact that the other Party, its counsel, its accountants, its auditors or its other representatives and advisors should have known or discovered that any such representation or warranty is or might be inaccurate in any respect.

Section 6.3 Cooperation.

Upon the terms and subject to the conditions set forth in this Agreement, each of the Parties agrees to use its commercially reasonable efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with the other Parties in doing, all things necessary, proper or advisable to consummate and make effective, as promptly as is reasonably practicable, the Affiliation and the other transactions contemplated by this Agreement, including (i) the making of all necessary registrations and filings (including filings with Governmental Entities); (ii) the obtaining of all necessary

licenses, consents, approvals or waivers from third parties, including the amendment, if necessary, of the "primary" license for Highmark and the obtaining of a "controlled affiliate" license for BCBSD from the BCBSA and the obtaining of all Highmark Material Consents and BCBSD Material Consents (as the case may be); (iii) the endeavoring to comply with all other legal or contractual requirements for, or conditions to, the consummation of this Agreement; (iv) the obtaining of all information needed for the preparation and filing of all regulatory filings as may in the reasonable opinion of counsel for the Parties be necessary or advisable to effect the Affiliation; and (v) the execution and delivery of any additional instruments or documents as may be necessary or reasonably requested by the other Party to consummate the transactions contemplated by, and to fully carry out the purposes of, this Agreement. Notwithstanding the foregoing, neither of the Parties has any obligation to modify in any respect the terms of this Agreement, the Line of Credit Agreement, the Administrative Services Agreement, the BCBSD Charter or the BCBSD Bylaws. Furthermore, Highmark may terminate this Agreement in the event any Governmental Entity imposes a Highmark Materially Burdensome Condition as a condition to its approval of the Affiliation, and BCBSD may terminate this Agreement in the event that any Governmental Entity imposes a BCBSD Materially Burdensome Condition as a condition to its approval of the Affiliation.

Section 6.4 Certain Notifications.

Highmark will give notice to BCBSD, and BCBSD will give notice to Highmark, in each case promptly after obtaining actual knowledge thereof, of (a) any representation or warranty made by a Party contained in this Agreement that is qualified as to materiality becoming untrue or inaccurate in any respect (giving effect to such standard) or any such representation or warranty that is not so qualified becoming untrue or inaccurate in any material respect or (b) the failure, or the occurrence or non-occurrence of an event as to which it obtains actual knowledge that is reasonably likely to result in the failure by a Party to comply with or satisfy in any material respect any covenant, condition or agreement to be complied with or satisfied by a Party under this Agreement. Within twenty-one (21) days of providing or receiving such notification pursuant to this Section, any Party entitled to terminate this Agreement under Section 10.1 based upon such inaccuracy or failure shall advise the other Party in writing whether it has elected to terminate this Agreement based upon such inaccuracy or failure; provided, however, that, to the extent applicable, the cure provisions set forth in Section 10.1 shall be available to the non-terminating Party.

Section 6.5 Supplemental Disclosure.

Except to the extent previously disclosed pursuant to Section 6.4, at least ten (10) business days prior to the Closing Date, each Party shall, to the extent necessary, supplement or amend its Initial Disclosure, as the case may be, with respect to any matter hereafter arising or discovered which, if existing or known at the date of the Initial Disclosure, would have been required to be set forth or described in such Initial Disclosure. Within five (5) business days of receiving such supplement pursuant to this Section, or prior to Closing if the Closing shall have otherwise been set to occur within such period, the Party entitled to terminate this Agreement under Section 10.1(b) or (c) based upon such supplement shall advise the other Party in writing if it has elected to terminate this Agreement based upon such supplement.

Section 6.6 Hart-Scott-Rodino Filings.

Each of the Parties shall make all necessary filings and amendments under the HSR Act as may be required, and each Party will cooperate with the other in connection with such filings and amendments.

Section 6.7 Confidentiality.

Each of Highmark and its Subsidiaries and BCBSD and its Subsidiaries shall be bound by the terms and conditions of the Confidentiality Agreement between Highmark and BCBSD dated as of July 24, 2007 (as thereafter amended in September, 2009) (the "**Confidentiality Agreement**"), without the need for any such company to execute or re-execute the Confidentiality Agreement.

Section 6.8 No Solicitation or Negotiations.

(a) BCBSD agrees not to, and agrees to cause its directors, officers, employees, principals, agents, representatives and advisors not to, directly or indirectly, solicit, negotiate, participate or continue any discussion, or allow, permit or enter into any agreements, arrangements or understandings relating to any proposal contemplating a business combination, division, conversion to a for-profit corporation, affiliation, member substitution, significant capital infusion, merger, consolidation, liquidation, sale or acquisition of assets, transfer of voting control, a transaction in which the members of BCBSD immediately prior to such transaction shall have the power to elect less than 50% of the Board of Directors of BCBSD immediately following such transaction, a transaction in which BCBSD grants to a third Person in whatever manner the power to control the management of BCBSD or the operations of a significant portion of its assets or an action in which any Person is granted the power to approve or to disapprove (directly or indirectly) any action with respect to the management, operations or assets of BCBSD that would otherwise be taken by the Board of Directors of BCBSD, or any similar transaction (a "**Change of Control**") (each, a "**Competing Transaction**"), and further agrees not to encourage any third party to initiate any action to accomplish or facilitate any of the foregoing; (ii) BCBSD agrees not to, and agrees to cause its directors, officers, employees, principals, agents, representatives and advisors not to, directly or indirectly, provide any Confidential Information to any third party or representative or advisor of a third party relating to any Competing Transaction; (iii) BCBSD agrees to immediately halt any discussions, negotiations or communications, if any, with all third parties regarding, and not to respond to any third party with respect to a proposal for, any Competing Transaction and (iv) BCBSD agrees to provide notice to Highmark with regard to any proposal received by it or any of its directors, officers, employees, principals, agents, representatives or advisors contemplating a Competing Transaction or other similar action with any other Person.

(b) Notwithstanding any of the provisions of subsection (a) of this Section, for a period of ninety (90) days following execution of this Agreement (the "**Superior Offer Period**"), BCBSD may furnish information to, and negotiate or otherwise engage in discussions with, any party that delivers a bona fide written proposal for a Competing Transaction which was not solicited, initiated, encouraged or facilitated by BCBSD after the date of this Agreement, if and so long as the Board of Directors of BCBSD reasonably determines in good faith by resolution duly adopted after consultation with its outside legal counsel that such a proposal is, or would reasonably be expected to lead to, a Superior Offer (as defined below). BCBSD shall notify Highmark promptly (but in any event within 24 hours) of any such inquiries, proposals or offers received by, or any such discussions or negotiations sought to be initiated or continued with, BCBSD or any of its Subsidiaries or any of its or its Subsidiaries' representatives in accordance with subsection (a) hereof indicating the name of such Person and providing to Highmark copies of any documentation delivered to BCBSD in relation to such proposal or offer for a Competing Transaction. BCBSD agrees that it will keep Highmark informed, on a prompt basis, of the status and material terms of any such proposals or offers and the status of any material developments in respect of any such discussions or negotiations and that it will deliver to Highmark a summary of any material changes to any such proposals or offers and all nonpublic information being furnished to such Person.

(c) In the event that the Board of Directors of BCBSD receives a Superior Offer without breaching its obligations under this Section 6.8, the Board of Directors of BCBSD may cause BCBSD to

terminate this Agreement pursuant to Section 10.1(e) but only if prior to taking any such action: (i) the Board of Directors of BCBSD reasonably determines in good faith that such Competing Transaction is a Superior Offer (taking into account any adjustment to the terms and conditions of the Affiliation proposed by Highmark in response to such Competing Transaction), and (ii) BCBSD shall have given five (5) business days prior written notice to Highmark that BCBSD has received such Superior Offer, attaching a copy of such Superior Offer (or, where no such copy is available, a description of such Superior Offer), and specifying the identity of the Person making such Superior Offer and informing Highmark that BCBSD intends to terminate this Agreement in accordance with the terms hereof, and during such time, BCBSD, if requested by Highmark, shall have engaged in good faith negotiations with Highmark to amend this Agreement (including by making its officers and its financial and legal advisors reasonably available to negotiate) and either (1) Highmark has not proposed revisions to the terms and conditions of this Agreement prior to the fifth (5th) business day after the date on which such notice is given to Highmark, or (2) if Highmark within such period shall have proposed revisions to the terms and conditions of this Agreement, the Board of Directors of BCBSD shall have reasonably determined in good faith that the Competing Transaction, as originally proposed or subsequently amended, remains a Superior Offer with respect to Highmark's revised proposal; provided that each time modifications to the financial terms of a Competing Transaction determined to be a Superior Offer are made, the time period set forth in this subparagraph (ii) prior to which BCBSD may terminate this Agreement shall be extended for an additional five (5) business days after notification of such change to Highmark. The Superior Offer Period shall be extended until BCBSD determines that negotiations or discussions with any Person who delivered a bona fide written proposal for a Competing Transaction within the initial ninety (90) day period or within any extension of the initial ninety (90) day period shall have been finally concluded; provided that BCBSD must make a determination of whether a Competing Transaction is a Superior Offer before the later of (1) the expiration of the initial ninety (90) day period or (2) thirty (30) days after the last Competing Transaction or modification or amendment of a Competing Transaction is submitted to BCBSD. Any extension of the Superior Offer Period shall expire not later than thirty (30) days after BCBSD makes the determination specified in the preceding sentence if (1) BCBSD determines that the Competing Transaction or amendment or modification of a Competing Transaction being considered is not a Superior Offer and (2) no Person submits to BCBSD any further Competing Transaction or modification or amendment of a Competing Transaction before the expiration of thirty (30) days after such determination by BCBSD. In the event that the Superior Offer Period is extended pursuant to the terms hereof, Highmark may terminate this Agreement at any time after thirty (30) days following the expiration of the initial ninety (90) day period.

(d) For purposes hereof, "Superior Offer" means a bona fide written proposal made by a third party (i) which is for a Competing Transaction, and (ii) which is otherwise on terms which BCBSD's Board of Directors reasonably determines in good faith after consultation with its outside legal counsel (A) would result in a transaction that, if consummated, is more favorable to BCBSD, giving due consideration to all aspects of such Competing Transaction, including to the proposed financial terms of such Competing Transaction, if applicable, any proposal by Highmark to amend the terms of this Agreement, taking into account all the terms and conditions of such proposal and this Agreement, and (B) is reasonably capable of being completed on the terms proposed, taking into account all financial, regulatory, legal and other aspects of such proposal.

Section 6.9 Solicitation of Personnel.

Except as agreed to in writing by the Parties, from the date of this Agreement to Closing or, if this Agreement is terminated, two (2) years after such termination, each Party agrees (and shall cause its respective Subsidiaries to agree) not to solicit to employ, or specifically induce the termination of employment by, any person who is currently employed by the other Party or a Subsidiary thereof, or any person who has been employed by the other Party or a Subsidiary thereof at any time during the period

from January 1, 2010 through the date hereof; provided that nothing herein shall restrict or preclude either Party's rights to make generalized searches for employees by use of advertisements in the media (including trade media) or by engaging search firms to engage in searches which are not targeted or focused on the employees of the other Party or its Subsidiaries; and provided, further, that the obligations and restrictions set forth in this Section 6.9 shall, in any event, expire and be of no further force and effect upon the Closing.

Section 6.10 Preparation of the Delaware Primary Filings.

Highmark shall be the "applicant" for purposes of the Delaware Primary Filings; provided, however, that the Parties will cooperate in preparing and jointly filing (as promptly as practical after the date hereof) the Delaware Primary Filings and shall agree upon the form and content of such filings before the filing and/or submission of same. Each Party shall provide to the other Party the opportunity to participate in any meeting or substantive telephone call with any Governmental Entity in respect of any filings, investigations or other inquiry in connection with the Delaware Primary Filings. The Parties will use their commercially reasonable efforts (i) to cause the Delaware Primary Filings to become effective as promptly as practicable, and (ii) to furnish all information concerning themselves and their Subsidiaries to the others as the others may reasonably request in connection with the preparation of the Delaware Primary Filings. Each Party shall promptly advise the other Party if it becomes aware that the Delaware Primary Filings have become effective and of any supplements or amendments thereto. Each Party agrees to promptly advise the other Party if at any time prior to approval of the Delaware Primary Filings any information provided by either Party in connection with the Delaware Primary Filings is or becomes incorrect or incomplete in any material respect and to provide such other Party with the information needed to correct such inaccuracy or omission.

Section 6.11 Amendments to BCBSD Plans.

(a) To the extent that any of the BCBSD Plans of the BCBSD Companies do not comply with Section 409A of the Code, BCBSD shall take such action as shall be reasonably necessary to correct such non-compliance prior to Closing and, to the extent appropriate, report properly the taxable income applicable to each affected employee or participant and the amounts to be taxed under Section 409A of the Code. In no event shall Highmark have any liability or obligation with respect to taxes, interest, or penalties for which any employee or participant is or may become liable as a result of the application of Section 409A of the Code.

(b) BCBSD will cause all of the BCBSD Plans that are employment agreements with current and former employees of any BCBSD Company, or retiree or otherwise, that remain in effect, to be amended in a form reasonably satisfactory to Highmark to provide that post-employment continued benefits shall apply solely to the continuation of health (i.e., medical including prescription drug, dental, and vision benefits), and post-retirement continued benefits shall apply solely to the continuation of health (i.e., medical including prescription drug, dental, and vision) and life insurance benefits.

Section 6.12 Integration Planning.

The Parties agree that, prior to the Closing, they shall develop a mutually agreed written plan with respect to the conversion and integration of BCBSD's systems that shall establish integration priorities, timelines, budget and performance standards, to be annexed to the Administrative Services Agreement in substantially the form attached hereto as Appendix F (the "**Administrative Services Agreement**"). Such plan will be in compliance with all statutory, regulatory and contractual requirements applicable to each of BCBSD, Highmark and their respective Subsidiaries, as well as the policies and guidelines of the BCBSA.

ARTICLE VII

ADDITIONAL AGREEMENTS

Section 7.1 License to Use Highmark Name and Marks.

In connection with the Closing, the Parties shall enter into an agreement providing BCBSD with a non-exclusive license to use the name "Highmark" and related marks in the conduct of the Business in Delaware. No royalties shall be payable to Highmark in connection with the grant of the license. The license shall terminate automatically in the event that Highmark shall cease to be the sole member of BCBSD.

Section 7.2 Line of Credit.

In connection with the Closing, the Parties shall enter into an agreement providing for a line of credit not to exceed $45,000,000 aggregate principal amount, to be made available to BCBSD by Highmark in accordance with the terms, conditions and limitations set forth in the Line of Credit Agreement in substantially the form attached hereto as Appendix G (the "**Line of Credit Agreement**").

Section 7.3 Liability and Indemnification.

(a) From and after the Closing, BCBSD shall, and BCBSD shall cause its Subsidiaries to, keep in full force and effect any provisions in their respective certificates of incorporation and bylaws providing for immunity from monetary liability for, exculpation of liability for, and indemnification of, present or former directors, officers, fiduciaries, employees or agents as in effect immediately prior to the Closing, which provisions will not be amended, repealed or otherwise modified except as required by applicable law, or except for changes permitted by law that would enlarge the rights under such provisions or would not adversely affect the rights thereunder of individuals who, on or prior to the Closing Date, were directors, officers, fiduciaries, employees or agents of BCBSD or its Subsidiaries.

(b) For a period of not less than three (3) years following the Closing, BCBSD shall maintain in effect liability insurance against claims asserted based on acts or omissions occurring at or prior to the Closing covering those persons who are currently covered by BCBSD's or its Subsidiaries' (as the case may be) liability insurance policy or policies, on terms substantially as favorable as the terms of such insurance coverage.

(c) In the event that BCBSD or any of its successors or assigns (i) consolidates with or merges into any other Person and is not the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers all or substantially all of its properties and assets to any Person, then, and in each such case, proper provision shall be made so that the successors and assigns of BCBSD will assume the obligations set forth in Sections 7.2(a) and (b) if they are not otherwise assumed by operation of law.

Section 7.4 Significant Delaware Presence.

From and after the Closing, the Parties shall use commercially reasonable efforts to cause, allow and assist BCBSD to continue to maintain its presence within the State of Delaware, including the maintenance of the corporate headquarters of BCBSD within the State of Delaware. The Parties shall further use commercially reasonable efforts to continue to provide products and services to Delaware residents and to maintain employment levels within the State of Delaware that are proportionate to the

employment levels that Highmark maintains in other geographic areas to directly service its health insurance holders, taking into account the relative levels of service and products provided or offered in such areas and the overall business conditions and environment in such areas. In addition, Highmark shall act in good faith to identify and create new employment opportunities in the State of Delaware as business needs and conditions permit.

Section 7.5 Employee Benefits.

Highmark and BCBSD agree as follows:

(a) From and after the Closing, BCBSD will continue to perform in all respects its obligations under existing employment agreements (subject to any right to amend or terminate set forth in such agreements) and shall adhere to the terms and conditions of all BCBSD Plans identified in the Initial Disclosure as providing specified benefits for certain "grandfathered employees," subject only to any amendments that may be required by law and to any right to amend or terminate set forth in such BCBSD Plans. For the sake of clarity, no amendment of any BCBSD Plans shall reduce or eliminate any grandfathered benefits under any BCBSD Plans unless the law in question expressly requires a reduction or elimination in benefits or as otherwise provided in such BCBSD Plans.

(b) From and after the Closing and until the second anniversary thereof, BCBSD will continue to provide benefits under existing BCBSD Plans for its employees on substantially the same terms and conditions as exist on the date hereof, subject to any modifications that may be required or warranted under law (including to preserve the tax qualified status of any BCBSD Plan to which Section 401(a) of the Code applies), and subject to the provisions of Section 7.5(a) with regard to the BCBSD Plans that provide for certain "grandfathered employees," unless a majority of the Board of Directors of BCBSD (including at least one Class A Director) approves a change in such BCBSD Plans. After such second anniversary or at such earlier time as approved by a majority of the Board of Directors of BCBSD (including at least one (1) Class A Director), Highmark may replace any BCBSD Plans with benefit plans that collectively cover employees of Highmark and BCBSD (such replacement plans are herein referred to as "**Benefit Plans**"), in which case any determination of years of service for vesting and eligibility purposes for any BCBSD employee under such Benefit Plans shall include in such calculation the years of service of such BCBSD employees under the corresponding BCBSD Plans, and the benefits and cost sharing formulae available under such replacement Benefit Plans shall be no less favorable to BCBSD employees than the benefits provided to similarly situated Highmark employees (unless the BCBSD plan being so replaced provided the same benefit at a lower level). In addition, after such second anniversary or at such earlier time as approved by a majority of the Board of Directors of BCBSD (including at least one (1) Class A Director), Highmark may amend any BCBSD Plan so as to provide a level of benefits and cost sharing that is no less favorable to BCBSD employees than the benefits provided to similarly situated Highmark employees, or to make amendments parallel to amendments to the corresponding Highmark employee benefit plan in order to assure consistency between such plans at their then-current benefit levels.

Subject to the provisions of Section 7.5(a) with regard to the BCBSD Plans that provide for certain "grandfathered employees," nothing in this Section 7.5(b) shall prohibit Highmark from amending any BCBSD Plan in order to assist in the orderly administration of the such plan, to comply with applicable law, or to assure that such BCBSD Plan (and any other plan that may be aggregated with such plan under applicable law) maintains its intended tax status.

For purposes of this Section 7.5(b), after such second anniversary or at such earlier time as approved by a majority of the Board of Directors of BCBSD (including at least one (1) Class A Director),

the term "BCBSD Plan" shall not include any BCBSD Material Contract or other employment agreements or any equity or other incentive compensation arrangements.

(c) The obligations provided in this Section 7.5 shall survive the Closing.

Section 7.6 BCBSD Charter and Bylaws.

The terms and conditions of the BCBSD Charter and the BCBSD Bylaws, attached hereto as Appendix A and Appendix B, respectively, are a part of this Agreement and are incorporated herein as if fully set forth herein. No provision of the BCBSD Charter or the BCBSD Bylaws respecting the rights, obligations, duties or responsibilities of Class A Directors may be altered, amended, revised or rescinded without the approval of the Class A Directors.

Section 7.7 Board Observation Rights with respect to the Highmark Board of Directors.

(a) From and after the Closing, for so long as Highmark shall be the sole member of BCBSD, BCBSD (acting through the Nominating Committee (as defined in the BCBSD Bylaws) of the BCBSD Board of Directors) shall be permitted to select one (1) representative (the "**BCBSD Observer**") reasonably acceptable to Highmark, who shall be permitted to attend, in a nonvoting observer capacity, all meetings of the Board of Directors of Highmark and its Executive Committee. Additionally, the Nominating Committee shall be permitted to select one (1) alternate observer, who shall be a Class A Director. In the event that the designated BCBSD Observer is unable to attend a meeting of the Highmark Board of Directors, the designated alternate observer may attend such meeting in the place of the BCBSD Observer, subject to the limitations on the BCBSD Observer set forth in this section.

(b) Highmark shall timely provide the BCBSD Observer copies of all notices, minutes, consents, and any and all other materials that it provides to the members of its Board of Directors, provided that any BCBSD Observer shall execute and deliver to Highmark a confidentiality agreement with such terms and conditions as Highmark shall reasonably require. Notwithstanding the foregoing, Highmark may exclude the BCBSD Observer from access to any material or meeting, or portions of either thereof, (i) if Highmark believes that such exclusion is reasonably necessary to preserve the attorney-client privilege, (ii) if such materials or meetings (or portions thereof) are to address personnel or compensation matters relating to directors, officers or employees of Highmark or its Subsidiaries other than BCBSD or any BCBSD Company, (iii) if such materials or meetings (or portions thereof) are to address events or circumstances which, if consummated, would constitute a Trigger Event (as defined in the BCBSD Bylaws), (iv) to prevent a breach of any agreement, arrangement or understanding between Highmark or any of its Subsidiaries and any third party, or (v) otherwise if Highmark believes that such exclusion is reasonably necessary to protect confidential or proprietary information which is not substantially related to the Business of BCBSD or any BCBSD Company. The rights of any BCBSD Observer and of BCBSD to select a BCBSD Observer shall terminate immediately upon an election of BCBSD to terminate the Affiliation pursuant to Section 7.8 below and the BCBSD Bylaws.

Section 7.8 Termination of Affiliation and Reestablishment of BCBSD as Primary Licensee in the State of Delaware.

(a) Notwithstanding anything to the contrary set forth in this Agreement, in the event that, at any time after the Closing, a Triggering Event (as defined in the BCBSD Bylaws) shall occur, BCBSD shall have the right, exercisable by the approval of the Class A Directors, and subject to the conditions set forth in this section, to require that Highmark withdraw as the sole member of BCBSD and consent to the reestablishment of BCBSD as the primary licensee of the registered names and marks owned by the BCBSA (the "**BCBSA Marks**") in the State of Delaware. As promptly as practicable and in any event

within thirty (30) days following the occurrence of a Triggering Event, Highmark shall provide notice to such effect to BCBSD (a "**Trigger Notice**"), and, upon the approval of the Class A Directors acting pursuant to the BCBSD Bylaws to elect to terminate the Affiliation, BCBSD shall so notify Highmark and make a request to the BCBSA (to which Highmark shall consent) for the surrender by Highmark of its right to use the BCBSA Marks in the State of Delaware and the grant to BCBSD of the right to use the BCBSA Marks in the State of Delaware as the primary licensee, subject to satisfaction of the conditions set forth in this Section 7.8. In the event that BCBSD shall fail to make the request of Highmark and the BCBSA contemplated by this Section 7.8(a) within sixty (60) days following receipt of the Trigger Notice, the provisions of this Section 7.8 shall terminate and be of no further force or effect.

(b) On or before the Reestablishment Date (as defined below), Highmark shall execute a consent as the Sole Member, adopting and directing the filing of an amended and restated Certificate of Incorporation of BCBSD, in form and content satisfactory to the Class A Directors (subject to Section 7.8(d) below), which such amended and restated Certificate of Incorporation shall identify a person or persons other than Highmark as the member or members of BCBSD.

(c) BCBSD's authority to require that Highmark withdraw as the sole member of BCBSD and that BCBSD be reestablished as the primary licensee of the BCBSA Marks in the State of Delaware as contemplated by this Section 7.8 (the effective date of such withdrawal and reestablishment being referred to herein as the "**Reestablishment Date**") shall be subject to satisfaction of the following conditions:

(i) Prior to or on the Reestablishment Date, BCBSD shall pay to Highmark in immediately available funds (A) all principal of, and accrued but unpaid interest on, and all other amounts due under or with respect to, the Line of Credit Agreement, any and all other lines of credit or other credit facilities then outstanding by Highmark in favor of BCBSD; and BCBSD's ability to borrow under or otherwise access any and all such lines of credit and other credit facilities shall be terminated, effective as of such date; and (B) any and all other amounts due and owing to Highmark under any other intercompany agreements or arrangements (including the Administrative Services Agreement) or otherwise in respect of intercompany payables.

(ii) On the Reestablishment Date, the Class A Directors shall cause BCBSD to release Highmark, and reimburse Highmark for any amounts Highmark may have paid under or in respect of, and indemnify and hold Highmark harmless from and against any future liabilities on account of, any and all guarantees or similar obligations Highmark may have entered into or issued for the account of BCBSD, including the guarantee of the contractual and financial obligations of BCBSD to its customers delivered by Highmark to the BCBSA as a condition to Highmark's acquisition of the primary license for the use of the BCBSA Marks in the State of Delware and any related obligations of Highmark under any then-existing conversion agreement between Highmark and the BCBSA (requiring Highmark to provide, or cause to be provided, to BCBSD's customers certain health insurance products under certain circumstances).

(iii) BCBSD shall have obtained any and all required approvals of the Delware Department of Insurance to the withdrawal of Highmark as the sole member of BCBSD.

(iv) BCBSD shall have obtained the approval of the BCBSA to reestablish itself as the primary licensee for the BCBSA Marks in the State of Delaware and shall have entered into a new primary license agreement with the BCBSA for the use of the BCBSA Marks in the state. The BCBSA shall have confirmed that termination fees are not payable by Highmark with respect to termination of Highmark's status as such primary licensee, or shall have waived payment of such fees, or BCBSD shall have paid the same to the BCBSA.

(v) BCBSD shall have surrendered to Highmark all rights to use the name "Highmark" and any derivatives thereof, and any and all related marks.

(d) From and after the Reestablishment Date, BCBSD shall, and BCBSD shall cause its Subsidiaries to, keep in full force and effect any provisions in their respective certificates of incorporation and bylaws providing for immunity from monetary liability for, exculpation of liability for, and indemnification of, persons who served or are serving as Class B Directors as in effect immediately prior to the Reestablishment Date, which provisions will not be amended, repealed or otherwise modified except as required by applicable law, or except for changes permitted by law that would enlarge the rights under such provisions or would not adversely affect the rights thereunder of individuals who, on or prior to the Reestablishment Date, were Class B Directors.

(i) For a period of not less than three (3) years following the Reestablishment Date, BCBSD shall maintain in effect liability insurance against claims asserted based on acts or omissions occurring at or prior to the Reestablishment Date of persons who served as Class B Directors on terms substantially as favorable as the terms of such insurance coverage with respect to the Class B Directors immediately prior to the Reestablishment Date.

(ii) In the event that BCBSD or any of its successors or assigns (i) consolidates with or merges into any other Person and is not the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers all or substantially all of its properties and assets to any Person, then, and in each such case, proper provision shall be made so that the successors and assigns of BCBSD will assume the obligations set forth in Section 7.8(c) if they are not otherwise assumed by operation of law.

(a) by mutual written consent of Highmark and BCBSD duly authorized by the Board of Directors of each Party.

(b) by BCBSD by action of the Board of Directors of BCBSD and notice thereof given in writing to Highmark if (i) there is a breach in any material respect of any representation or warranty that does not include a standard of materiality, or a breach in any respect of any representation or warranty that expressly includes a standard of materiality, or a breach in any material respect of any covenant or agreement on the part of Highmark set forth in this Agreement, which breach is not curable or, if curable, is not cured within forty-five (45) days after written notice of such breach is given by BCBSD to Highmark promptly after BCBSD's becoming aware of such breach, or (ii) any representation or warranty of Highmark has become untrue in any material respect, such that the condition set forth in Section 9.1 in BCBSD's reasonable view would be incapable of being cured or satisfied by the Expiration Date, after written notice of such untruth is given by BCBSD to Highmark promptly after BCBSD's becoming aware of such untruth.

(c) by Highmark by action of the Board of Directors of Highmark and notice thereof given in writing to BCBSD if (i) there is a breach in any material respect of any representation or warranty that does not include a standard of materiality, or a breach in any respect of any representation or warranty that expressly includes a standard of materiality, or a breach in any material respect of any covenant or agreement on the part of BCBSD set forth in this Agreement, which breach is not curable or, if curable, is not cured within forty-five (45) days after written notice of such breach is given by Highmark to BCBSD promptly after Highmark's becoming aware of such breach, or (ii) any representation or warranty of BCBSD has become untrue in any material respect, such that the condition set forth in Section 8.1 in Highmark's reasonable view would be incapable of being cured or satisfied by the Expiration Date, after written notice of such untruth is given by Highmark to BCBSD promptly after Highmark's becoming aware of such untruth.

In no event shall this Agreement terminate if the failure to close results from the failure of the Party seeking to terminate this Agreement to comply fully with its obligations under this Agreement.

(e) By BCBSD or Highmark pursuant to the terms and conditions of Sections 6.3 (regarding Highmark or BCBSD Materially Burdensome Conditions), 6.4 (Certain Notifications), 6.5 (Supplemental Disclosure) or 6.8(b) (Superior Offer).

(b) In the event of a termination of this Agreement by BCBSD pursuant to Section 6.8 (regarding a Superior Offer), then BCBSD shall pay to Highmark an amount equal to Highmark's direct and indirect costs and expenses incurred in connection with the transactions contemplated hereby, which amount shall be the sum of (x) Highmark's reasonably documented out-of-pocket costs and expenses (including reasonable legal, investment banking, accounting, banking and consulting fees and expenses, and the costs incurred by Highmark pursuant to Section 11.1) and (y) a reasonable allocation of Highmark's internal costs incurred in connection with such transactions, including its due diligence investigation and integration planning activities and its other activities in connection with the consummation of the Affiliation and the other transactions contemplated hereby and by the agreements referred to herein; or $7.5 million, whichever is less (the "**Highmark Reimbursable Expenses**"), promptly (but in any event within thirty (30) days) after receipt of documentation of such costs and expenses from Highmark. Section 10.5 Procedure for Termination, Amendment, Extension or Waiver.

A termination of this Agreement pursuant to Section 10.1, an amendment of this Agreement pursuant to Section 10.3 or an extension or waiver pursuant to Section 10.4 shall, in order to be effective, require, in the case of BCBSD, action by its Board of Directors or the duly authorized designee of its Board of Directors.

Section 10.6 Non-survival of Representations and Warranties.

Any such special meeting shall be held on such date and at such time and place as shall be specified by the person calling the meeting. A majority of the Class A Directors then in office shall constitute a quorum at any such meeting so called, and the acts of a majority of the Class A Directors then in office shall be the acts of the Class A Directors for all purposes under this Article XIII. At such special meeting, the Class A Directors may authorize the Corporation to exercise its rights with respect to termination of the Affiliation under the terms of the Agreement, provided that such authorization by the Class A Directors (and notice of same delivered by the Corporation to the Sole Member pursuant to this paragraph) must occur not later than the sixtieth (60th) day after delivery of the Trigger Notice to the Corporation. Upon receipt of notice from the Class A Directors that they have elected to exercise the Corporation's right with respect to termination of the Affiliation with the Sole Member, the Secretary of the Corporation shall deliver notice to the Sole Member of same.

For purposes of this Article XIII, "**Triggering Event**" shall mean any of the following: (a) the Sole Member's conversion to a for-profit corporation under the laws of the Sole Member's state of incorporation; (b) the Sole Member makes an assignment for the benefit of its creditors, or admits in writing its inability to pay its debts as they become due, files a voluntary petition in bankruptcy or files a petition or answer seeking for itself any similar relief under any present or future statute, law or regulation or files an answer admitting or not contesting the material allegation of any petition filed in any involuntary action commenced against the Sole Member in bankruptcy or any such petition is not denied, discharged or stayed within sixty (60) days after being filed, or the Sole Member is placed into receivership, either in rehabilitation or liquidation, by or through any governmental entity with authority to do so; (c) the final, non-appealable loss by the Sole Member of its status as the primary licensee in the State of Delaware or the Commonwealth of Pennsylvania of the registered marks (the "**BCBSA Marks**") owned by the Blue Cross and Blue Shield Association (the "**BCBSA**"); or (d) a change in Pennsylvania law binding on the Sole Member occurs (i) depriving the Board of Directors of the Sole Member of the authority to select the members of the Board of Directors of the Sole Member; or (ii) granting or requiring that the Sole Member grant to a third person the power to control the management or operations of the Sole Member or a significant portion of its assets, or the power to approve or to disapprove (directly or indirectly) any action with respect to the management or operations of the Sole Member of a significant portion of its assets that otherwise would be taken by the Board of Directors of the Sole Member.

It shall renew automatically for successive terms of one year each, unless terminated upon 180 days prior written notice by one party to the other party, or as otherwise provided herein.

B. This Agreement shall terminate:

LINE OF CREDIT AGREEMENT

This Line of Credit Agreement (this "**Agreement**") is made as of this ___ day of _____, 20__ (the "**Effective Date**") between Highmark Inc., a Pennsylvania nonprofit corporation ("**Highmark**"), and Highmark BCBSD Inc., a Delaware nonstock not-for-profit corporation ("**BCBSD**").

R E C I T A L S

WHEREAS, BCBSD is, as of the date hereof, becoming an affiliate of Highmark in connection with the closing under the Affiliation Agreement between Highmark and BCBSD, dated as of **August 19, 2010** (the "**Affiliation Agreement**"), and from and after such closing as of the Effective Date of this Agreement, Highmark will be the sole member of BCBSD (the "**Affiliation**"); and

WHEREAS, in connection with the Affiliation, BCBSD has requested, and Highmark desires to provide in favor of BCBSD, a line of credit to support certain infrastructure improvements and transition matters associated with the Affiliation.

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual promises and covenants hereinafter set forth and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, intending to be legally bound hereby, Highmark and BCBSD agree as follows:

1. Establishment of Line of Credit. Highmark hereby establishes and agrees to maintain (until the Expiration Date, defined below) a line of credit (the "**Line of Credit**") in favor of BCBSD under which Highmark shall advance funds to BCBSD from time to time, in an aggregate outstanding principal amount not to exceed Forty-Five Million Dollars ($45,000,000), subject to the terms and conditions of this Agreement. BCBSD shall issue to Highmark a note evidencing its obligation to repay advances under the Line of Credit in substantially the form attached hereto as Exhibit A (the "**Note**"). Advances under the Line of Credit may be repaid and re-borrowed by BCBSD from time to time, subject to the terms and conditions set forth herein.

2. Terms.

   a. Interest. Interest on the outstanding principal amount under the Line of Credit shall be equal to the lesser of:

      i. the one-month LIBOR rate in effect on the first business day of the month plus 350 basis points; or

      ii. the United States Prime Rate in effect on the first business day of the month as listed in the Eastern print edition of the *Wall Street Journal*. If at any time the *Wall Street Journal* ceases publishing the United States Prime Rate, then the new index will be the prime commercial rate reasonably selected by Highmark;

   provided that, from and after the occurrence of an Event of Default (as defined below), and for so long as such Event of Default shall remain in effect and uncured, interest on the outstanding principal amount (and all other sums due) under the Line of Credit shall be equal to the above rate plus five (5) percentage points from the date of such Event of Default.

Interest shall be calculated each month based on the actual number of days in the month divided by a 360-day year times the average daily balance of the Line of Credit. All interest payments will be due by the first business day of the next calendar month. For purposes of this Agreement, "**business day**" shall mean any day other than a Saturday, Sunday or a public holiday in the state of Pennsylvania or Delaware.

b. Requests for Advances. All requests for advances by BCBSD must be made in writing at least five (5) business days in advance of the time that funds are to be dispersed hereunder. Funds will be distributed under this Line of Credit in $500,000.00 increments. All requests for advances hereunder must be made by an authorized officer of BCBSD pursuant to due authorization of the Board of Directors of BCBSD.

c. Date of Advance Request Expiration. No advances will be made under this Agreement after the Expiration Date, unless the Expiration Date is extended pursuant to Section 4, below, or after a termination of this Agreement.

d. Payment.

i. BCBSD will repay, in full, to Highmark all principal and accrued but unpaid interest outstanding under this Agreement on or before the seventh anniversary of the date of this Agreement (the "Maturity Date") (or such earlier termination of this Agreement as hereinafter provided).

ii. Manner and Place of Payment. All amounts due and payable by BCBSD to Highmark shall be paid in lawful money of the United States of America at Highmark's headquarters office at Fifth Avenue Place, 120 Fifth Avenue, Pittsburgh, PA 15222-3099, or as Highmark shall make known to BCBSD.

3. Prepayment. BCBSD may prepay all of its obligations hereunder, in whole or in part, at any time without penalty.

4. Term. Highmark's commitment to make advances under the Line of Credit as provided in this Agreement will expire on [_____ __, ____][FOURTH ANNIVERSARY OF CLOSING DATE] (the "**Expiration Date**"), unless Highmark and BCBSD agree in writing to extend for additional period(s) of six (6) months (each such six (6) month period being known as a "**Renewal Period**"). If the parties elect to extend this Agreement for a Renewal Period, the Expiration Date shall extend to the last day of such Renewal Period.

5. Subordination; Negative Pledge. During the term of this Agreement and for so long as any amount remains unpaid under this Agreement, BCBSD shall not:

a. incur any indebtedness which ranks senior in right of payment to the Line of Credit granted pursuant to this Agreement without the prior written consent of Highmark; *provided, however,* that obligations due to trade creditors incurred in the ordinary course of business shall not be prohibited by this section.

b. grant to any person any mortgage, lien, security interest or other encumbrance on any assets of BCBSD.

6. Use of Proceeds. Advances under the Line of Credit may be used by BCBSD solely for the payment of costs associated with the systems conversion and integration contemplated by Administrative Services Agreement of even date herewith between Highmark and BCBSD.

7. Termination. This Agreement will terminate and all amounts owed under this Agreement will become immediately due and payable, automatically and without demand (a) if BCBSD shall endure a Change of Control or enter into an agreement, the consummation of which would constitute a Change of Control, after the Effective Date, or if its Board of Directors or any committee thereof shall approve any of the foregoing or (b) upon an Event of Default.

a. "**Change of Control**" shall mean any business combination, division, conversion to a for-profit corporation, affiliation, member substitution, significant capital infusion, merger, consolidation, liquidation, sale or acquisition of assets, transfer of voting control, a transaction in which Highmark ceases to have the power to elect or appoint at least a majority of the board of directors of BCBSD, a transaction in which BCBSD grants to a third Person in whatever manner the power to control the management of BCBSD or the operations of a significant portion of its assets or an action in which any Person is granted the power to approve or to disapprove (directly or indirectly) any action with respect to the management, operations or assets of BCBSD that would otherwise be taken by the Board of Directors of BCBSD, or any similar transaction.

b. "**Event of Default**" shall mean the occurrence of any one or more of the following events:
   i. BCBSD's failure to make any payment of principal or interest hereunder when due;
   ii. BCBSD's failure to perform any obligation set forth in this Agreement;
   iii. BCBSD becomes the subject of a delinquency proceeding, or summary order of the Commissioner of the Delaware Department of Insurance, under Title 18, Chapter 59 of the Delaware Insurance Code;
   iv. BCBSD applies for or is subjected to the appointment of a receiver, trustee or liquidator, makes an assignment for the benefit of its creditors, or admits in writing its inability to pay its debts as they become due;
   v. BCBSD files a voluntary petition in any court of competent jurisdiction seeking protection from creditors or declaring itself insolvent and unable to meet its obligations when due; or
   vi. BCBSD files an answer admitting or not contesting the material allegation of any petition filed in any involuntary action commenced against BCBSD in any court of competent jurisdiction or any such petition is not denied, discharged or stayed within sixty (60) days after being filed.

8. Assignment. BCBSD may not assign this Agreement without the prior written consent of Highmark. Unless otherwise provided under this Agreement, the terms and conditions of this Agreement shall bind and inure to the benefit of the parties hereto and their successors and permitted assigns.

9. Entire Agreement; Amendment. This Agreement and the Note constitute the entire agreement between BCBSD and Highmark with respect to each advance on the Line of Credit subject hereto and supersede all prior negotiations, communications, discussions and correspondence concerning the subject matter hereof. This Agreement may be amended or modified only in writing signed by each party hereto.

10. No Third Party Beneficiaries. This Agreement is made and entered into for the sole protection and benefit of the parties hereto and their respective permitted successors and assigns, and no other person or entity shall be a third-party beneficiary of, or have any direct or indirect cause of action or claim in connection with, this Agreement or the Note.

11. Time. Time is of the essence with respect to each and every provision of this Agreement and the Note.

12. Severability of Provisions. If any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity without invalidating the remainder of such provision or any remaining provisions of this Agreement.

13. Counterparts. This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall be deemed to be an original, and all of which when taken together shall constitute one and the same Agreement.

14. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania. The parties submit to the exclusive jurisdiction of state and federal courts located in the Commonwealth of Pennsylvania for any action to enforce or interpret this Agreement.

A majority of the Class A Directors then in office shall constitute a quorum at any such meeting so called, and the acts of a majority of the Class A Directors then in office shall be the acts of the Class A Directors for all purposes under this Article XIII. At such special meeting, the Class A Directors may authorize the Corporation to exercise its rights with respect to termination of the Affiliation under the terms of the Agreement, provided that such authorization by the Class A Directors (and notice of same delivered by the Corporation to the Sole Member pursuant to this paragraph) must occur not later than the sixtieth (60th) day after delivery of the Trigger Notice to the Corporation. Upon receipt of notice from the Class A Directors that they have elected to exercise the Corporation's right with respect to termination of the Affiliation with the Sole Member, the Secretary of the Corporation shall deliver notice to the Sole Member of same.

A. BCBSD shall compensate Highmark for Highmark's provision of the Services in an amount equal to BCBSD's fair and reasonable allocable share of the total actual cost without provision for profit to Highmark of providing the Services. Such costs shall include, without limitation, employee salaries, employee benefits and other direct and indirect administrative costs, including reasonable charges for corporate overhead. BCBSD's allocable share of the cost of the Services shall be determined in accordance with Highmark's established cost accounting practices as in effect from time to time. ARTICLE III

Term and Termination

A. This Agreement shall be effective as of the date first written above and shall continue in effect for a term of one (1) year thereafter. It shall renew automatically for successive terms of one year each, unless terminated upon 180 days prior written notice by one party to the other party, or as otherwise provided herein.

B. This Agreement shall terminate:

(a) automatically in the event that Highmark ceases to be the sole member of BCBSD with the power to elect or appoint BCBSD's Board of Directors;

(b) automatically in the event that BCBSD ceases to be a "controlled affiliate" of Highmark under the rules promulgated by the Blue Cross Blue Shield Association;

(c) automatically in the event that BCBSD is the subject of a delinquency proceeding, or summary order of the Commissioner of the Delaware Department of Insurance, under Title 18, Chapter 59 of the Delaware Insurance Code, applies for or is subjected to the appointment of a receiver, trustee or liquidator, or makes a general assignment for the benefit of creditors**;**

(d) automatically in the event that it is determined by a federal, state or local government or any court, administrative or regulatory agency, body or commission or other governmental authority or agency, domestic or foreign that continuation of the Agreement is contrary to law; or

(e) upon written notice by Highmark to BCBSD in the event of the occurrence of an Event of Default under that Line of Credit Agreement among BCBSD and Highmark of even date hereof which such Event of Default shall remain uncured by BCBSD for a period in excess of 30 days.

C. The provisions of this Article IV shall survive the expiration or termination of this Agreement.

ARTICLE V

Liability

A. Each party agrees to defend, indemnify and hold harmless the other against any and all loss, cost, expense or liability of any kind (including, but not limited to, reasonable attorney's fees) arising out of any claims resulting from the Services, except to the extent caused by the negligence or intentional acts of the non-indemnifying party. Notwithstanding the foregoing, in no event will either party be liable to the other for any loss of income or profit, or incidental, indirect, special, or consequential damages arising out of or relating to this Agreement, the Services or any claims relating hereto or thereto.

B. BCBSD and Highmark intend that an independent contractor relationship shall be created by this Agreement, and nothing herein shall be construed as creating a relationship of employer and employee, principal and agent, partners, joint venturers or any other business grouping or relationship. The parties agree that Highmark personnel who perform services for BCBSD hereunder shall in the rendering of such services continue as employees of Highmark for all purposes, including for purposes of determining responsibility for all workers' compensation, unemployment compensation and employee and retirement benefits. Highmark will treat all such information in accordance with those standards, and will use or disclose Protected Member Information received from BCBSD only for the purposes stated in this Agreement, or to comply with judicial process or any applicable statute or regulation.

C. Business Associate Provisions.

Whenever any activity to be performed by Highmark hereunder would cause Highmark to be considered a "Business Associate" as defined in 45 C.F.R. § 160.103, the parties agree that the terms and conditions of

the Business Associate Agreement for Blue Cross and Blue Shield Licensees shall apply, and such Agreement as in effect from time to time is incorporated herein by this reference.

A. Dispute Resolution.

In the event of any dispute or other controversy between BCBSD and Highmark related to or arising out of this Agreement (a "**Controversy**"), BCBSD and Highmark agree to settle and resolve such dispute in accordance with the terms and subject to the conditions of this Article VII, Paragraph A.

1. In the event of a Controversy which remains unresolved between the parties for a period of 30 calendar days, each of BCBSD and Highmark, upon request of either, shall submit such Controversy for resolution to the Chief Executive Officer of Highmark and BCBSD's President (the "**Executive Officers**").

2. If the Controversy is not resolved within thirty (30) calendar days following the submission thereof to the Executive Officers as referred to in Paragraph A(1) above, then such Controversy shall be referred by either BCBSD or Highmark, by written notice delivered to the other party, to the BCBSD Board of Directors.

B. Assignment

Except as otherwise provided herein, neither party may assign this Agreement, or any interest herein, or any part of this Agreement, without the other party's express prior written consent, which shall not be unreasonably withheld, provided, that Highmark may assign its rights and obligations under this Agreement to any person acquiring all or substantially all of its assets.

C. Applicable Law

The validity of this Agreement, the construction and enforcement of its terms, and the interpretation of the rights and duties of the parties shall be governed by the laws of the Commonwealth of Pennsylvania.

D. Waiver

No modification, amendment, supplement to or waiver of this Agreement or any of its provisions shall be binding upon the parties hereto unless made in writing and duly signed by both parties.

E. Entirety

Except as otherwise provided herein, this Agreement constitutes the entire agreement between the parties and supersedes all previous agreements and understandings, whether oral or written, between the parties with respect to the subject matter hereof. Without limitation of the foregoing, this Agreement specifically supersedes that certain Administrative Services Agreement, dated as of [_____, 2010], between the parties, which agreement hereby is terminated, effective as of the effective date hereof.

F. Violent Crime Control Act.

I. Effect of Headings

Headings used in this Agreement are for reference purposes only and shall not be used to modify the meaning of the terms and conditions of this Agreement.

J. Counterparts

This Agreement may be executed simultaneously in any number of counterparts, each of which will be deemed an original, but all of which together shall constitute but one and the same instrument.

K. Severability

If any provision of this Agreement is in conflict with any statute or rule of law or is determined by a court of competent jurisdiction to be illegal or unenforceable, or causes any party to violate its Articles of Incorporation or Bylaws, then such provision will be deemed inoperative to the extent of such conflict, illegality or unenforceability, and each provision not so affected will be enforced to the full extent provided by law.

IN WITNESS WHEREOF, the parties hereto, each acting under due and proper authority, have executed this Agreement as of the day, month and year first above written.

LINE OF CREDIT AGREEMENT

This Line of Credit Agreement (this "**Agreement**") is made as of this ___ day of _____, 20__ (the "**Effective Date**") between Highmark Inc., a Pennsylvania nonprofit corporation ("**Highmark**"), and Highmark BCBSD Inc., a Delaware nonstock not-for-profit corporation ("**BCBSD**").

R E C I T A L S

WHEREAS, BCBSD is, as of the date hereof, becoming an affiliate of Highmark in connection with the closing under the Affiliation Agreement between Highmark and BCBSD, dated as of **August 19, 2010** (the "**Affiliation Agreement**"), and from and after such closing as of the Effective Date of this Agreement, Highmark will be the sole member of BCBSD (the "**Affiliation**"); and

WHEREAS, in connection with the Affiliation, BCBSD has requested, and Highmark desires to provide in favor of BCBSD, a line of credit to support certain infrastructure improvements and transition matters associated with the Affiliation.

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual promises and covenants hereinafter set forth and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, intending to be legally bound hereby, Highmark and BCBSD agree as follows:

1. Establishment of Line of Credit. Highmark hereby establishes and agrees to maintain (until the Expiration Date, defined below) a line of credit (the "**Line of Credit**") in favor of BCBSD under which Highmark shall advance funds to BCBSD from time to time, in an aggregate outstanding principal amount not to exceed Forty-Five Million Dollars ($45,000,000), subject to the terms and conditions of this Agreement. BCBSD shall issue to Highmark a note evidencing its obligation to repay advances under the Line of Credit in substantially the form attached hereto as Exhibit A (the "**Note**"). Advances under the Line of Credit may be repaid and re-borrowed by BCBSD from time to time, subject to the terms and conditions set forth herein.

2. Terms.

   a. Interest. Interest on the outstanding principal amount under the Line of Credit shall be equal to the lesser of:

      i. the one-month LIBOR rate in effect on the first business day of the month plus 350 basis points; or

      ii. the United States Prime Rate in effect on the first business day of the month as listed in the Eastern print edition of the *Wall Street Journal*. If at any time the *Wall Street Journal* ceases publishing the United States Prime Rate, then the new index will be the prime commercial rate reasonably selected by Highmark;

   provided that, from and after the occurrence of an Event of Default (as defined below), and for so long as such Event of Default shall remain in effect and uncured, interest on the outstanding principal amount (and all other sums due) under the Line of Credit shall be equal to the above rate plus five (5) percentage points from the date of such Event of Default.

Interest shall be calculated each month based on the actual number of days in the month divided by a 360-day year times the average daily balance of the Line of Credit. All interest payments will be due by the first business day of the next calendar month. For purposes of this Agreement, "**business day**" shall mean any day other than a Saturday, Sunday or a public holiday in the state of Pennsylvania or Delaware.

b. Requests for Advances. All requests for advances by BCBSD must be made in writing at least five (5) business days in advance of the time that funds are to be dispersed hereunder. Funds will be distributed under this Line of Credit in $500,000.00 increments. All requests for advances hereunder must be made by an authorized officer of BCBSD pursuant to due authorization of the Board of Directors of BCBSD.

c. Date of Advance Request Expiration. No advances will be made under this Agreement after the Expiration Date, unless the Expiration Date is extended pursuant to Section 4, below, or after a termination of this Agreement.

d. Payment.

i. BCBSD will repay, in full, to Highmark all principal and accrued but unpaid interest outstanding under this Agreement on or before the seventh anniversary of the date of this Agreement (the "Maturity Date") (or such earlier termination of this Agreement as hereinafter provided).

ii. Manner and Place of Payment. All amounts due and payable by BCBSD to Highmark shall be paid in lawful money of the United States of America at Highmark's headquarters office at Fifth Avenue Place, 120 Fifth Avenue, Pittsburgh, PA 15222-3099, or as Highmark shall make known to BCBSD.

3. Prepayment. BCBSD may prepay all of its obligations hereunder, in whole or in part, at any time without penalty.

4. Term. Highmark's commitment to make advances under the Line of Credit as provided in this Agreement will expire on [_____ __, ____][FOURTH ANNIVERSARY OF CLOSING DATE] (the "**Expiration Date**"), unless Highmark and BCBSD agree in writing to extend for additional period(s) of six (6) months (each such six (6) month period being known as a "**Renewal Period**"). If the parties elect to extend this Agreement for a Renewal Period, the Expiration Date shall extend to the last day of such Renewal Period.

5. Subordination; Negative Pledge. During the term of this Agreement and for so long as any amount remains unpaid under this Agreement, BCBSD shall not:

a. incur any indebtedness which ranks senior in right of payment to the Line of Credit granted pursuant to this Agreement without the prior written consent of Highmark; *provided, however,* that obligations due to trade creditors incurred in the ordinary course of business shall not be prohibited by this section.

b. grant to any person any mortgage, lien, security interest or other encumbrance on any assets of BCBSD.

6. Use of Proceeds. Advances under the Line of Credit may be used by BCBSD solely for the payment of costs associated with the systems conversion and integration contemplated by Administrative Services Agreement of even date herewith between Highmark and BCBSD.

7. Termination. This Agreement will terminate and all amounts owed under this Agreement will become immediately due and payable, automatically and without demand (a) if BCBSD shall endure a Change of Control or enter into an agreement, the consummation of which would constitute a Change of Control, after the Effective Date, or if its Board of Directors or any committee thereof shall approve any of the foregoing or (b) upon an Event of Default.

a. "**Change of Control**" shall mean any business combination, division, conversion to a for-profit corporation, affiliation, member substitution, significant capital infusion, merger, consolidation, liquidation, sale or acquisition of assets, transfer of voting control, a transaction in which Highmark ceases to have the power to elect or appoint at least a majority of the board of directors of BCBSD, a transaction in which BCBSD grants to a third Person in whatever manner the power to control the management of BCBSD or the operations of a significant portion of its assets or an action in which any Person is granted the power to approve or to disapprove (directly or indirectly) any action with respect to the management, operations or assets of BCBSD that would otherwise be taken by the Board of Directors of BCBSD, or any similar transaction.

b. "**Event of Default**" shall mean the occurrence of any one or more of the following events:
   i. BCBSD's failure to make any payment of principal or interest hereunder when due;
   ii. BCBSD's failure to perform any obligation set forth in this Agreement;
   iii. BCBSD becomes the subject of a delinquency proceeding, or summary order of the Commissioner of the Delaware Department of Insurance, under Title 18, Chapter 59 of the Delaware Insurance Code;
   iv. BCBSD applies for or is subjected to the appointment of a receiver, trustee or liquidator, makes an assignment for the benefit of its creditors, or admits in writing its inability to pay its debts as they become due;
   v. BCBSD files a voluntary petition in any court of competent jurisdiction seeking protection from creditors or declaring itself insolvent and unable to meet its obligations when due; or
   vi. BCBSD files an answer admitting or not contesting the material allegation of any petition filed in any involuntary action commenced against BCBSD in any court of competent jurisdiction or any such petition is not denied, discharged or stayed within sixty (60) days after being filed.

8. Assignment. BCBSD may not assign this Agreement without the prior written consent of Highmark. Unless otherwise provided under this Agreement, the terms and conditions of this Agreement shall bind and inure to the benefit of the parties hereto and their successors and permitted assigns.

9. Entire Agreement; Amendment. This Agreement and the Note constitute the entire agreement between BCBSD and Highmark with respect to each advance on the Line of Credit subject hereto and supersede all prior negotiations, communications, discussions and correspondence concerning the subject matter hereof. This Agreement may be amended or modified only in writing signed by each party hereto.

10. No Third Party Beneficiaries. This Agreement is made and entered into for the sole protection and benefit of the parties hereto and their respective permitted successors and assigns, and no other person or entity shall be a third-party beneficiary of, or have any direct or indirect cause of action or claim in connection with, this Agreement or the Note.

11. Time. Time is of the essence with respect to each and every provision of this Agreement and the Note.

12. Severability of Provisions. If any provision of this Agreement shall be prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity without invalidating the remainder of such provision or any remaining provisions of this Agreement.

13. Counterparts. This Agreement may be executed in any number of counterparts, each of which when executed and delivered shall be deemed to be an original, and all of which when taken together shall constitute one and the same Agreement.

14. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania. The parties submit to the exclusive jurisdiction of state and federal courts located in the Commonwealth of Pennsylvania for any action to enforce or interpret this Agreement.

[Remainder of page intentionally left blank; signatures follow]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed as of the day and year first written above.

In deciding whether impairments are other-than-temporary, the Corporation may consider several factors, including the adequacy of collateral, probability of default, and estimates regarding timing and amount of recoveries associated with a default.

E. Repurchase Agreements and/or Securities Lending Transactions

The Corporation participates in securities lending transactions. The Corporation maintains effective control over the loaned securities and requires collateral initially equal to at least 102% of loaned domestic securities and 105% of loaned international securities. Collateral received consists of cash and noncash securities. Cash collateral is invested in short-term debt securities, and noncash collateral consists of short-term debt securities. The collateral received and the corresponding obligation to return the collateral are not recorded in the statements of assets, liabilities, capital and surplus as the collateral received is not available for the general use of the Corporation. Temporary market value deficiencies of invested collateral are not recorded in the statements of assets, liabilities, capital and surplus; however, other-than-temporary impairments on invested collateral are recorded in the statements of assets, liabilities, capital and surplus. The Corporation did not have other-than-temporary impairments on invested collateral at June 30, 2010.

The aggregate amount of contractually obligated open collateral positions and the corresponding liability that represented the Corporation's obligation to return the collateral were $336,122,394 at June 30, 2010. There were $331,262,018, $0, $0 and $4,860,376 in open collateral positions under 30-day, 31-60 day, 61-90 day and more than 90-day repayment terms, respectively, at June 30, 2010. The aggregate fair value of all securities acquired from the sale, trade or use of accepted collateral was $335,771,534 at June 30, 2010.

The Corporation guarantees $100,000,000 of indebtedness of HVHC Inc. ("HVHC"), a wholly owned holding company for the Corporation's vision services subsidiaries, to a group of third-party lenders. The Corporation believes that the likelihood that it will be called upon to perform on this guarantee is remote. This assessment is based upon the past performance of HVHC and the strength of its business plan.

In 2006, the Corporation recorded a five-year $100,000,000 commitment to the Highmark Foundation to fund education, communications, community activities, grants and programming to promote healthy behaviors in children and adolescents. At June 30, 2010, the net present value of the remaining liability of $19,751,280 was recorded in other liabilities in the statements of assets, liabilities, capital and surplus.

The Corporation guarantees a $15,000,000 revolving credit facility for United Concordia Companies, Inc.("UCCI"), a wholly owned insurance subsidiary, from a third-party lender. The Corporation believes that the likelihood that it will be called upon to perform on this guarantee is remote. This assessment is based upon the past performance of UCCI and the strength of its business plan. At June 30, 2010, there were no amounts outstanding under this credit facility.

The Corporation is party to a guarantee agreement with the United States Department of Defense – TRICARE Management Activity pursuant to which the Corporation guarantees the performance of UCCI under UCCI's TRICARE Dental Plan contract.

The Corporation has issued guarantees of all customer-related contractual and financial obligations of KHPW, HSR, FPH, HHIC and Highmark West Virginia Inc., d/b/a Mountain State Blue Cross Blue Shield ("MSBCBS"), a controlled affiliate. These guarantees satisfy a requirement of the Blue Cross and Blue Shield Association ("BCBSA") related to the use of the registered Blue Cross and Blue Shield service marks by controlled affiliates and/or the requirements of the Centers for Medicare & Medicaid Services pertaining to Medicare Risk HMOs. The Corporation's share of the combined customer obligations of KHPW, HSR, FPH, HHIC and MSBCBS was $291,389,143 at June 30, 2010. The BCBSA licenses also require that if KHPW, FPH, FPLIC or MSBCBS ceases operations, the Corporation must offer or arrange for the offering of Blue Cross and/or Blue Shield coverage to all subscribers of that company without exclusions, limitations or conditions based on health status.

Standard Property Corporation, a wholly owned subsidiary, leases office space from a third party and then subleases that space to the Corporation. The lease, which runs through December 2011, requires annual lease payments of approximately $8,000,000 and has been guaranteed by the Corporation.

A class action lawsuit was filed in February 2010 in the United States District Court for the Western District of Pennsylvania by a statewide ambulance association and a number of local ambulance service providers on behalf of all non-participating ambulance service providers against the Corporation, the three other Pennsylvania Blue plans, KHPW and Keystone Health Plan Central, Inc., a subsidiary of Capital Blue Cross. The suit alleges that defendants' practice of making benefit payments to enrollees, rather than making payments directly to plaintiffs, violates Pennsylvania law. The suit also accuses defendants of using threats of making direct payments to enrollees to coerce plaintiffs into entering into contracts with defendants and alleges that such practice is a violation of the Racketeer Influenced and Corrupt Organizations ("RICO") Act. Plaintiffs are seeking treble damages for unpaid services, interest and attorney fees. The Corporation believes, based on consultation with legal counsel, that it has meritorious defenses to the claims in this matter, but it is unable to predict the outcome of the matter or to reasonably estimate a range of possible loss.

A class action lawsuit was filed in September 2009 in the United States District Court for the Northern District of Illinois against BCBSA and twenty-three Blue Cross Blue Shield plans, including the Corporation. The complaint alleges that the defendants have violated and are continuing to violate the Employee Retirement Income Security Act ("ERISA") and the RICO Act by conducting retrospective provider payment reviews and audits and demanding immediate recoupment of amounts determined to be overpayments. The Corporation believes, based on consultation with legal counsel, that it has meritorious defenses to the claims in this matter, but it is unable to predict the outcome of the matter or to reasonably estimate a range of possible loss.

NOTES TO FINANCIAL STATEMENTS

A lawsuit was filed in April 2009 in the United States District Court for the Western District of Pennsylvania by West Penn Allegheny Health System, alleging that the Corporation and UPMC violated federal antitrust laws by entering into an illegal agreement to restrain trade and by conspiring to create monopolies in the market for acute inpatient services and/or high-end tertiary and quaternary acute care inpatient services in Allegheny County, Pennsylvania and in the market for health care financing and administration for private employers and individuals in Allegheny County, Pennsylvania. In October 2009, the District Court dismissed the case with prejudice. The plaintiff has appealed to the Third Circuit Court of Appeals.

The Corporation is a defendant in a class action lawsuit in the Court of Common Pleas of York County, Pennsylvania alleging violation of the Pennsylvania Nonprofit Corporation Law and breach of subscriber contracts by reason of its maintenance of allegedly “excessive” surplus. In January 2010, the court dismissed the suit. The plaintiffs have appealed to the Commonwealth Court of Pennsylvania. In June 2010, the Pennsylvania Supreme Court agreed to renew a similar case involving Blue Cross of Northeastern Pennsylvania.

The Corporation is subject to various other contingencies, including legal and compliance actions and proceedings that arise in the ordinary course of its business. Due to the complex nature of these actions and proceedings, the timing of the ultimate resolution of these matters is uncertain. In the opinion of management, based on consultation with legal counsel, adequate provision has been made in the financial statements for any potential liability related to these matters, and the amount of ultimate liability is not expected to materially affect the financial position of the Corporation.

The Corporation's exposure to subprime residential mortgage-backed securities is comprised of investments within the fixed income investment portfolio that contain securities collateralized by mortgages or home equity loans that have characteristics of subprime loans, including deteriorating credit ratings, credit scores or delinquency rates. At June 30, 2010, the book/adjusted carrying value of these investments was $14,437,494, which represented less than 1% of the Corporation's total fixed income portfolio. The Corporation performs ongoing analysis of cash flows and other stress variables and manages its subprime risk exposure by maintaining high credit quality investments and by limiting the Corporation's holdings in these types of investments.

The re-estimation decrease was generally the result of ongoing analysis of recent loss development trends. Original estimates are adjusted as additional information becomes known regarding individual claims. Favorable prior year claim development on retrospectively rated policies does not significantly impact surplus because such policies are subject to premium adjustments.

Identification

I, Mark F. St. George, FSA, MAAA, am associated with the accounting firm of PricewaterhouseCoopers LLP. I am a member of the American Academy of Actuaries and have been retained by Highmark Inc. (the Corporation) to render an opinion with regard to loss reserves, actuarial liabilities and related items. I was appointed on December 9, 2009 in accordance with the requirements of the annual statement instructions. I meet the Academy qualification standards for rendering the opinion.

Scope

I have examined the assumptions and methods used in determining loss reserves, actuarial liabilities and related items listed below, as shown in the annual statement of the Corporation as prepared for filing with state regulatory officials, as of December 31, 2009.

A. Claims unpaid (Page 3, Line 1); $ 506,210,079

B. Accrued medical incentive pool and bonus payments (Page 3, Line 2); $ 10,800,000

PRICEWATERHOUSECOOPERS

C. Unpaid claims adjustment expenses (Page 3, Line 3);	$	12,273,563
D. Aggregate health policy reserves (Page 3, Line 4) including unearned premium reserves and additional policy reserves from the Underwriting and Investment Exhibit – Part 2D;	$	258,247,950
E. Aggregate life policy reserves (Page 3, Line 5);	$	0
F. Property/casualty unearned premium reserves (Page 3, Line 6);	$	0
G. Aggregate health claim reserves (Page 3, Line 7); and	$	4,773
H. Any actuarial reserves or liabilities not included in the items above.	$	0

Reliance

In forming my opinion on claims unpaid, accrued medical incentive pool and bonus payments, unpaid claims adjustment expenses, aggregate health policy reserves, and aggregate health claim reserves, I relied upon data prepared by William J. Cashion, Vice President & Chief Actuary, as certified in the attached statement. I evaluated that data for reasonableness and consistency. I also reconciled that data to the Underwriting and Investment Exhibit – Part 2B of the Corporation's current annual statement. In other respects, my examination included review of the actuarial assumptions and actuarial methods used and tests of the calculations I considered necessary.

Opinion

In my opinion, the amounts carried in the balance sheet on account of the items identified above:

A. Are in accordance with accepted actuarial standards consistently applied and are fairly stated in accordance with sound actuarial principles,

B. Are based on actuarial assumptions relevant to contract provisions and appropriate to the purpose for which the statement was prepared,

C. Meet the requirements of the laws of the State of Pennsylvania and are at least as great as the minimum aggregate amounts required by the state in which this statement is filed,

D. Make a good and sufficient provision for all unpaid claims and other actuarial liabilities of the Corporation under the terms of its contracts and agreements,

E. Are computed on the basis of assumptions and methods consistent with those used in computing the corresponding items in the annual statement of the preceding year-end,

F. Include appropriate provision for all actuarial items that ought to be established.

PRICEWATERHOUSECOOPERS

The Underwriting and Investment Exhibit – Part 2B was reviewed for reasonableness and consistency with the applicable Actuarial Standards of Practice.

Actuarial methods, considerations and analyses used in forming my opinion conform to the relevant Standards of Practice as promulgated from time to time by the Actuarial Standards Board, which standards form the basis of this statement of opinion.

Relevant Comments

The reserves and related actuarial items, when considered in light of the assets held by the Corporation with respect to such reserves and related actuarial items including, but not limited to, the investment earnings on such assets, and the considerations anticipated to be received and retained under such policies and contracts, make adequate provision, according to presently accepted actuarial standards of practice, for the anticipated cash flows required by the contractual obligations and related expenses of the Corporation.

This opinion is updated annually as required by statute. To the best of my knowledge, there have been no material changes from the applicable date of the annual statement to the date of the rendering of this opinion which should be considered in reviewing this opinion.

The impact of unanticipated events subsequent to the date of this opinion is beyond the scope of this opinion. The analysis of asset adequacy portion of this opinion should be viewed recognizing that the Corporation's future experience may not follow all the assumptions used in the analysis.

NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

A. Accounting Practices

The financial statements of Highmark Inc. (the "Corporation") are presented on the basis of accounting practices prescribed by the Pennsylvania Insurance Department (the "Department"). The Department recognizes only statutory accounting practices prescribed or permitted by the Commonwealth of Pennsylvania for determining and reporting the financial condition and results of operations of an insurance company in order to assess its solvency under Pennsylvania insurance law and regulations. The National Association of Insurance Commissioners' ("NAIC") *Accounting Practices and Procedures Manual* ("NAIC SAP") has been adopted as a component of prescribed or permitted practices by Pennsylvania. The Pennsylvania Insurance Commissioner (the "Commissioner") has the right to permit other specific practices that deviate from prescribed practices.

For the years ended December 31, 2009 and 2008, there were no differences between NAIC SAP and practices prescribed or permitted by Pennsylvania.

B. Use of Estimates in the Preparation of the Financial Statements

The preparation of financial statements in conformity with NAIC SAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. It also requires the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

C. Accounting Policies

The Corporation uses the following accounting policies:

- Short-term investments include Class 1 and exempt money market accounts, and securities with a maturity of less than one year but greater than 90 days at the date of purchase. Cash equivalents include securities with a maturity of 90 days or less at the date of purchase. Securities are stated at amortized cost. Class 1 and exempt money market accounts are stated at fair value.

- Bonds not backed by other loans are carried at amortized cost using the effective interest method.

- Loan-backed securities are stated at amortized cost or the lower of amortized cost or market value, contingent upon NAIC designation assigned by the Securities Valuation Office ("SVO"). The retrospective adjustment method is used to value all loan-backed securities, except for securities where the yield has become negative, which are valued using the prospective method.

- Common stocks are carried at market value except investments in stocks of subsidiaries and affiliates in which the Corporation has an interest of 10% or more which are carried on the equity basis.

- Stocks of insurance subsidiaries and affiliates are recorded based on the statutory equity of the respective entity as reported in its financial statements. Investments in stocks of non-insurance subsidiaries and affiliates are recorded based on the equity of the respective entity in its financial statements prepared in accordance with generally accepted accounting principles ("GAAP"). Holding companies are valued based on their respective directly and indirectly owned subsidiaries and affiliates in accordance with SSAP No. 97. Unaudited subsidiary and affiliate investments are nonadmitted. Dividends from subsidiaries and affiliates are recorded as investment income when declared.

- Preferred stocks are recorded at the lower of cost or market value, contingent upon NAIC designation assigned by the SVO.

- Other invested assets consist primarily of investments in partnerships accounted for under the audited GAAP equity method and non-rated surplus notes carried at the lower of cost or statement factor value determined in accordance with SSAP No. 41.

- Real estate occupied by the Corporation is recorded at book value, which is the actual cost of the property, plus capitalized improvements, less depreciation.

- The Corporation modified the capitalization policy followed in 2008. In 2008, the Corporation capitalized all individual items with a cost greater than $500 and software with a cost greater than $1,500. In 2009, the Corporation capitalizes all items with a cost greater than $1,500.

- Electronic data processing ("EDP") equipment and software are carried at cost less accumulated depreciation and amortization. Maintenance, repairs and minor improvements are expensed as incurred. Depreciation and amortization are computed under the straight-line method over the estimated useful life of three years. Non-operating EDP equipment and software are nonadmitted.

- All derivatives are stated at fair value.

- Realized capital gains and losses on the sale of investments are determined using the specific identification method.

- Uncollected premiums are carried at net realizable value. All uncollected premiums aged greater than 90 days are nonadmitted.

- Pharmaceutical rebates receivable is an actuarial estimate based on prescriptions filled and terms of rebate contracts for the most recent three months. For prior months, the Corporation records the actual amounts that have been invoiced or confirmed in writing with the pharmaceutical companies.

NOTES TO FINANCIAL STATEMENTS

- Claims unpaid include claims reported and adjudicated but unpaid as well as an estimate of incurred but not reported claims. The liability for claims incurred but not reported is an actuarial estimate based on historical claims paid data, modified for current conditions and coverage changes. The methods to determine the estimate of incurred but not reported claims use past experience adjusted for current trends. The methods and assumptions are continually reviewed and any resulting adjustments are included in claims incurred in the period determined. Corresponding administrative costs to process unreported claims are estimated and accrued.

- A premium deficiency reserve ("PDR") is established when future claims expense and related maintenance costs are expected to exceed future subscriber premiums on contracts in force for a given line of business or product grouping within a contract period. Anticipated investment income is not considered in the PDR calculation.

- The Corporation's revenue includes premium income from underwritten business. Premiums are generally billed in advance of the contractual coverage periods and included in premium income as they are earned during the coverage period. Premiums that have been received prior to the service period are reported as premiums received in advance. The Corporation estimates retrospective premium adjustments to premium income by examining each group's activity and applying the appropriate contractual limitations.

- The administrative fees associated with uninsured administrative arrangements and third party administration fees are recorded as a reduction to general administrative expenses and recognized in the period in which related services are performed.

- The Corporation is subject to federal income taxes, although it remains exempt from state and local taxes. However, the Corporation voluntarily pays real estate taxes on its properties. Deferred tax assets and liabilities are determined based on differences between the financial reporting and tax basis of assets and liabilities and are measured using tax rates and laws that are expected to be in effect when the difference is reversed. Net deferred tax assets are admitted to the extent that they are expected to reverse and become realized within one year. Uncertain tax positions are assessed in accordance with applicable statutory guidance.

  SSAP No. 10R is a revised income tax accounting standard adopted by the NAIC, effective for the first time for the 2009 year. The application of SSAP No. 10R requires a company to evaluate the recoverability of deferred tax assets and to establish a valuation allowance if necessary to reduce the deferred tax asset to an amount which is more likely than not to be realized. Considerable judgment is required in determining whether a valuation allowance is necessary, and if so, the amount of such valuation allowance. In evaluating the need for a valuation allowance the Corporation considers many factors, including: (1) the nature of the deferred tax assets and liabilities; (2) whether they are ordinary or capital; (3) the timing of their reversal; (4) taxable income in prior carry back years as well as projected taxable earnings exclusive of reversing temporary differences and carry forwards; (5) the length of time that carryovers can be utilized; (6) unique tax rules that would impact the utilization of the deferred tax assets; and (7) any tax planning strategies that the Corporation would employ to avoid a tax benefit from expiring unused. In addition, to the extent the Corporation is eligible, SSAP No. 10R paragraph 10e provides for increased admissibility standards for deferred tax assets. SSAP No. 10R is effective for the 2009 and 2010 years and as currently drafted, guidance will revert to SSAP No. 10 for 2011 and future years.

D. Loan-Backed Securities

The aggregate fair value of loan-backed securities held by the Corporation was $264,943,715 and $250,588,815 at December 31, 2009 and 2008, respectively. The Corporation uses the retrospective adjustment method regarding prepayment assumptions, which are generally obtained from broker dealer survey values. The Corporation has no loan-backed securities that were acquired prior to January 1, 1994. The Corporation did not hold any loan-backed securities for which the yield has become negative at December 31, 2009 or 2008.

The Corporation's investments in loan-backed securities are comprised of mortgage-backed and asset-backed instruments which are subject to concentrations of credit risk. If parties to the instruments fail to perform to the terms of the contracts and the collateral for the amounts due prove to be inadequate, the Corporation could lose all or a portion of its investment in these securities.

There were no other-than-temporary impairments recorded or reversed on loan-backed securities in accordance with SSAP No. 43R during the years ended December 31, 2009 and 2008. The gross unrealized losses and fair values of loan-backed securities classified by length of time individual securities were in a continuous loss position at December 31, 2009 were as follows:

Less Than 12 Months		12 Months or More		Total	
Fair Value	Unrealized Losses	Fair Value	Unrealized Losses	Fair Value	Unrealized Losses
$35,264,109	($570,697)	$21,570,851	($3,164,346)	$56,834,960	($3,375,043)

The gross unrealized losses and fair values of loan-backed securities classified by length of time individual securities were in a continuous loss position at December 31, 2008 were as follows:

Less Than 12 Months		12 Months or More		Total	
Fair Value	Unrealized Losses	Fair Value	Unrealized Losses	Fair Value	Unrealized Losses
$38,975,629	($10,583,543)	$11,642,997	($2,637,079)	$50,618,626	($13,220,622)

In deciding whether impairments are other-than-temporary, the Corporation may consider several factors, including the adequacy of collateral, probability of default, and estimates regarding timing and amount of recoveries associated with a default.

E. Repurchase Agreements and/or Securities Lending Transactions

The Corporation participates in securities lending transactions. The Corporation maintains effective control over the loaned securities and requires collateral initially equal to at least 102% of loaned domestic securities and 105% of loaned international securities. Collateral received consists of cash and noncash securities. Cash collateral is invested in short-term debt securities, and noncash collateral consists of short-term debt securities. The collateral received and the corresponding obligation to return the collateral are not recorded in the statements of assets, liabilities, capital and surplus as the collateral received is not available for the general use of the Corporation. Temporary market value deficiencies of invested collateral are not recorded in the statements of assets, liabilities, capital and surplus; however, other-than-temporary impairments on invested collateral are recorded in the statements of assets, liabilities, capital and surplus. The Corporation did not have other-than-temporary impairments on invested collateral at December 31, 2009 and 2008.

The aggregate amounts of contractually obligated open collateral positions and the corresponding liabilities that represented the Corporation's obligations to return the collateral were $217,903,106 and $506,701,046 at December 31, 2009 and 2008, respectively. There were $214,412,465, $889,122 and $2,601,519 in open collateral positions under 30-day, 31-60 day and over 90-day repayment terms, respectively, at December 31, 2009. All open collateral positions were under 30-day repayment terms at December 31, 2008. The aggregate fair values of all securities acquired from the sale, trade or use of accepted collateral were $216,832,439 and $485,812,497 at December 31, 2009 and 2008, respectively.

6. Joint Ventures, Partnerships and Limited Liability Companies

NOTES TO FINANCIAL STATEMENTS

B. Impaired Investments

The Corporation did not recognize impairments on investments in joint ventures, partnerships or limited liability companies during 2009 or 2008, except as noted in Note 3D.

7. Investment Income

A. Basis for Excluding Due and Accrued Investment Income from Statutory Surplus

Investment income due and accrued is excluded from the financial statements for all interest on mortgage loans in default where such interest is 180 days past due and for all other investment income due on any invested asset that is 90 days or more past due.

B. Amounts Excluded from Statutory Surplus

None.

8. Derivative Instruments

A.-E. Interest Rate Swap Agreements

The Corporation is party to multiple interest rate swap agreements which meet the criteria of fair value hedges with two highly rated, major U.S. financial institutions (the "counterparties") pursuant to which the Corporation synthetically converted $125,000,000 of its fixed rate Senior Notes to variable notes through maturity. The Corporation received $2,239,000 and $19,892 in interest from the counterparties in 2009 and 2008, respectively, which was recorded in net investment income earned in the statements of revenue and expenses. At December 31, 2009 and 2008, the interest rate swaps were reflected at fair value on the statements of assets, liabilities, capital and surplus, with a corresponding adjustment in borrowed money.

As a result of its interest rate swap agreements, the Corporation is subject to interest rate risk and default risk. Only cash flows related to the differential in the fixed interest rates and the variable interest rates as applied to the notional amounts of the interest rate swaps are subject to interest rate risk over the terms of the interest rate swap agreements. The notional amounts do not represent the amounts at risk; rather, they are used only as the basis for calculating the amounts due under the interest rate swap agreements.

F. Cash Flow Hedge Derivatives of a Forecasted Transaction

None.

The corporation had income tax expenses of $129,325,897 and $0 available for recoupment for the years ended December 31, 2009 and 2008, respectively. All the taxes were capital in nature.

For the year ended December 31, 2009, the Corporation has elected not to admit deferred tax assets pursuant to paragraph 10e of SSAP No. 10R. The election was not available in 2008.

The change in net deferred income taxes was comprised of the following at December 31, 2009 and 2008 (this analysis is exclusive of nonadmitted assets as the change in nonadmitted assets is reported separately from the change in net deferred income taxes in the surplus section of the Annual Statement):

E. Income Tax Carryforwards and Carrybacks

The Corporation had no net operating loss or tax credit carryforwards at December 31, 2009 and 2008.

The Tax Reform Act of 1986 (the "Act") made all Blue Cross and Blue Shield organizations subject to federal income tax as of January 1, 1987. The Act included certain provisions designed to ease the burden of the organizations' transition to taxable status. One transition benefit allowed the step-up in the organizations' tax basis of all assets at January 1, 1987 to fair market value. The assets of the relevant organizations include subscriber and provider relationships, as well as assembled workforce. The Corporation and the Internal Revenue Service (the "IRS") were unable to reach agreement as to the value of and consequent deductions associated with the Corporation's intangible assets. As a result, the Corporation filed suit in the United States Court of Claims. In July 2009, the government and the Corporation stipulated that judgment should be entered against the United States in the principal sum of $8,047,356 (plus interest) for the tax years ending December 31, 1991 through December 31, 1995. In September 2009, the court entered judgment in accordance with this stipulation, and the period for appeal of this judgment has expired. However, the judgment relates to the intangible assets of only one of the Corporation's predecessors, Medical Service Association of Pennsylvania, d/b/a Pennsylvania Blue Shield, for the

NOTES TO FINANCIAL STATEMENTS

indicated years. The value of and deductions associated with tax years beginning January 1, 2006 and for all years for a second of the Corporation's predecessors, Veritus Inc., d/b/a Blue Cross of Western Pennsylvania, remain in dispute. The expected tax benefit associated with this litigation and the related deductions were recognized in 2008 and 2009 by a reduction to the tax exposure reserve.

F. Consolidation of Federal Return

The Corporation is included in a consolidated federal income tax return with all of its 80% or more owned corporate subsidiaries. A listing of these entities is provided in Schedule Y. The Corporation has a written agreement, approved by the Corporation's Board of Directors, which sets forth the manner in which the total combined federal income tax is allocated to each entity which is a party to the consolidation. The agreement generally provides for the settlement of the consolidated federal tax liability as if each subsidiary filed a separate income tax return. Federal income tax benefits or losses are allocated to the entities incurring such benefits or losses to the extent they are used to reduce the consolidated federal income tax liability.

10. Information Concerning Parent, Subsidiaries, Affiliates and Other Related Parties

A., F. Nature of Relationships Involved

The Corporation has transactions in the normal course of business with its subsidiaries and affiliates. The Corporation's for-profit and nonprofit subsidiaries and affiliates offer health insurance, dental insurance, vision services, workers compensation insurance, stop-loss insurance, real estate management services and other administrative services. Common related party transactions include those related to the provision of investment services, asset management, legal services, property management, administration of employee benefits and payroll, data and claims processing and normal management of operations.

B., C. Description of Transactions Relating to Subsidiaries, Controlled and Affiliated Entities ("SCAs")

At December 31, 2009 and 2008, the Corporation held a $20,000,000 surplus note and a $10,000,000 surplus note from HM Life Insurance Company ("HM Life") and Highmark Casualty Insurance Company ("Highmark Casualty"), respectively, two indirect wholly owned insurance subsidiaries. Interest is payable from unassigned surplus of the respective subsidiary only if the subsidiary's risk-based capital ("RBC") is 300% or greater. Each subsidiary must redeem its note on or before December 9, 2033. At December 31, 2009, the Department had approved and the Corporation recorded interest income of $191,150 and $95,575 related to the HM Life and Highmark Casualty notes, respectively. Both amounts were paid in January 2010. At December 31, 2008, the Department had approved and the Corporation recorded interest income of $236,700 and $118,350 related to the HM Life and Highmark Casualty notes, respectively. Both amounts were paid in January 2009.

At December 2009, the Corporation recorded surplus notes of $1,135,000 and $1,315,000, respectively, from Inter-County Health Plan, Inc., a not for profit medical service corporation, and Inter-County Hospitalization Plan, Inc., a not for profit hospital service corporation, (collectively "ICHP"), 50% of the stock of which is held by the Corporation. The surplus notes bear interest at a rate of LIBOR plus 75 basis points. Both ICHP surplus notes must be redeemed on or before December 31, 2011. The Corporation recorded a liability in amounts due to parents, subsidiaries and affiliates in the statement of liabilities, capital and surplus equal to the amount of the surplus notes at December 31, 2009. The Corporation satisfied the liability with a cash payment to ICHP on February 26, 2010.

In September 2009, HMO of Northeastern Pennsylvania, Inc., d/b/a First Priority Health (FPH), a nonprofit health maintenance organization ("HMO"), 40% of the stock of which is held by the Corporation, repaid $3,000,000 of the $15,820,000 surplus note held by the Corporation at December 31, 2008 and issued a replacement surplus note to the Corporation in the principal amount of $12,820,000. The surplus note matures July 1, 2015. At December 31, 2009, the Department had approved and the Corporation recorded interest income through September 2009 of $1,028,300, which was paid in September 2009. At December 31, 2008, the Department had approved and the Corporation recorded interest income through September 2008 of $1,031,117, which was paid in January 2009.

In September 2009 and October 2008, the Corporation received ordinary cash dividends of $24,000,000 and $10,000,000, respectively, from United Concordia Companies, Inc. ("UCCI"), a wholly owned insurance subsidiary.

In June 2009 and 2008, the Corporation received ordinary cash dividends of $75,000,000 and $70,000,000, respectively, from Keystone Health Plan West, Inc. ("KHPW"), a wholly owned subsidiary HMO.

In April and June of 2009, the Corporation purchased a total of $65,600,000 in Senior Subordinated Notes (the "ECCA Notes") of Eye Care Centers of America, Inc. ("ECCA") from a third party. ECCA is a wholly owned subsidiary of HVHC Inc. ("HVHC"), a wholly owned holding company for the Corporation's vision services subsidiaries. As a result of this transaction, the Corporation's aggregate investment in subsidiaries (not in excess of cost), including the acquired ECCA Notes, exceeded 10% (but did not exceed 15%) of its admitted assets at December 31, 2008. The Department approved a request by the Corporation that it be allowed to increase its aggregate investment in subsidiaries to the extent required to purchase the ECCA Notes. The ECCA Notes held by the Corporation were repurchased by ECCA on December 31, 2009 in connection with a refinancing of all HVHC's outstanding debt (Refer to Note 10E – Commitments and Contingencies to SCAs).

In September 2008, the Corporation contributed capital of $50,000,000 to HVHC to enable HVHC to repay a portion of the principal balance outstanding under HVHC's then-outstanding credit agreement, and to support the implementation of expanded and enhanced laboratory operations and other infrastructure improvements in its subsidiaries.

In July 2008, the Corporation contributed capital of $16,000,000 to First Priority Life Insurance Company ("FPLIC"), 40% of the stock of which is held by the Corporation, in fulfillment of a commitment to provide additional funding to

NOTES TO FINANCIAL STATEMENTS

FPLIC to enable FPLIC to continue to meet certain contractual RBC requirements. In January 2008, the Corporation contributed capital of $16,000,000 to FPLIC in connection with this same commitment.

D. Related Party Receivables and Payables

At December 31, 2009 and 2008, the Corporation reported $48,964,975 and $39,055,171, respectively, as receivables from subsidiaries and affiliates and $36,605,170 and $46,104,932, respectively, as amounts due to subsidiaries and affiliates. The terms of settlement generally require that amounts be settled within 30 days.

E. Commitments and Contingencies to SCAs

In December 2009, the Corporation agreed to guarantee $100,000,000 of HVHC's indebtedness to a group of third-party lenders in connection with a refinancing of all of HVHC's outstanding indebtedness. The Corporation believes that the likelihood that it will be called upon to perform on this guarantee is remote. This assessment is based upon past performance and strength of HVHC's business plan. In the event that the Corporation were to be called upon to perform on this guarantee, and such performance were deemed to be an investment in HVHC, the Corporation's aggregate investment in subsidiaries (not in excess of cost) would exceed 10% of its admitted assets at December 31, 2009. The Department approved a request by the Corporation to increase its aggregate investment in subsidiaries to such amount as may be necessary to enable it to perform on this guarantee but not in excess of 15% of its admitted assets. At December 31, 2009, there was $356,300,000 in HVHC debt outstanding.

In 2006, the Corporation recorded a five-year $100,000,000 commitment to the Highmark Foundation to fund education, communications, community activities, grants and programming to promote healthy behaviors in children and adolescents. The Corporation contributed $20,000,000 to the Foundation in each of 2009 and 2008. At December 31, 2009 and 2008, the net present value of the remaining liability of $19,276,046 and $37,628,243, respectively, was recorded in other liabilities in the statements of assets, liabilities, capital and surplus.

The Corporation guarantees a $15,000,000 revolving credit facility for UCCI from a third-party lender. The Corporation believes that the likelihood that it will be called upon to perform on this guarantee is remote. This assessment is based upon past performance and strength of UCCI's business plan. At December 31, 2009 and 2008, there were no amounts outstanding under this credit facility.

The Corporation is party to a guarantee agreement with the United States Department of Defense – TRICARE Management Activity pursuant to which the Corporation guarantees the performance of UCCI under UCCI's TRICARE Dental Plan contract.

The Corporation has extended lines of credit in the principal amounts of $40,000,000, $5,000,000 and $1,500,000 to Highmark Senior Resources Inc. 12. Retirement Plans, Deferred Compensation, Postemployment Benefits and Compensated Absences and Other Postretirement Benefit Plans

A. Defined Benefit Plans

The Corporation sponsors a non-contributory defined benefit pension plan (the "pension plan") which covers all eligible employees of the Corporation meeting certain age and service requirements and certain employees of the Corporation's participating subsidiaries and affiliates. The Corporation's policy is to fund its pension plan according to the limits specified by the Employee Retirement Income Security Act of 1974, as amended. From time to time, the Corporation may contribute additional amounts to the pension plan as it deems appropriate, subject to applicable funding limitations. In 2008, an additional contribution of $200,000,000 was made to the pension plan. During 2010, the Corporation expects to contribute $51,000,000 to the pension plan for the 2010 plan year depending on completion of the 2010 actuarial valuation.

In July 2009, the Corporation amended the pension plan to, among other changes, freeze accrued benefits under the final average pay formula and provide a cash-balance account to participants effective April 3, 2010. The impact of this amendment was a decrease in 2009 net periodic pension expense of $24,135,876.

NOTES TO FINANCIAL STATEMENTS

The Corporation also sponsors a defined benefit other postretirement plan (the "other postretirement plan") which provides various postretirement health and life insurance benefits to the Corporation's retirees and certain retirees of the Corporation's participating subsidiaries and affiliates. The Corporation's contributions for other postretirement coverage vary based on age and length of service at retirement. The Corporation uses a voluntary employees' beneficiary association ("VEBA") trust to fund its other postretirement plan. VEBA funding contributions are determined using entry age actuarial cost as the acceptable actuarial method. From time to time, the Corporation may contribute additional amounts to the other postretirement plan as it deems appropriate, subject to applicable funding limitations. In 2008, an additional contribution of $15,000,000 was made to the other postretirement plan. The Corporation expects to make a voluntary contribution of $20,000,000 to the other postretirement plan for the 2010 plan year depending upon completion of the 2010 actuarial valuation.

In September 2009, the Corporation amended the other postretirement plan to, among other changes, provide an account-based benefit to participants retiring on or after April 3, 2010. Employees hired on or after January 1, 2010 will not be eligible to participate in the plan. The impact of this amendment in 2009 was an increase in net other postretirement expense of $1,576,184.

The Corporation uses a measurement date of December 31, 2009 for its plans.

The funded status of the pension and other postretirement plans and amounts recognized in the statements of assets, liabilities, capital and surplus at December 31, 2009 and 2008 were as follows:

The Corporation's additional minimum pension plan liability at December 31, 2009 and 2008 was $0 and $12,445,211, respectively.

For measurement purposes at December 31, 2009, the assumed annual rate of increase in the per capita cost of covered health care benefits for the other postretirement plan was 8.15% in 2010, gradually decreasing to 4.50% by 2028.

Assumed health care cost trend rates have a significant effect on the amounts reported for the other postretirement plan. A one-percentage-point change in assumed health care cost trend rates would have had the following effects at December 31, 2009:

	One-Percentage-Point	
	Increase	Decrease
Effect on total of service and interest cost components	$ 600,000	$ (500,000)

2014	59,000,000	18,400,000
2015-2019	424,000,000	127,100,000

The asset allocation for the pension plan at December 31, 2009 and 2008, by asset category, and the target asset allocation, presented as a percentage of total plan assets, were as follows:

	2009	2008	Target Allocation
Equity securities	39%	31%	37%
Debt securitites	56%	41%	56%
Cash and cash equivalents	5%	28%	7%
Total	100%	100%	100%

The primary investment objective for the assets of the pension plan is to achieve maximum rates of return commensurate with safety of principal, given the asset mix, credit quality and diversification guidelines and restrictions approved by the Investment Committee of the Board of Directors of the Corporation. The pension plan asset allocation is reviewed quarterly to determine whether the portfolio mix is within an acceptable range of the target allocation. Target asset allocations are based on asset and liability studies with the goal to enhance the expected return of the pension portfolio while maintaining acceptable levels of risk.

The asset allocation for the other postretirement plan at December 31, 2009 and 2008, by asset category, was as follows:

	2009	2008
Equity securities	53%	43%
Debt securities	22%	32%
Cash and cash equivalents	25%	25%
Total	100%	100%

NOTES TO FINANCIAL STATEMENTS

The primary investment objective for the assets of the other postretirement plan is to achieve maximum rates of return commensurate with safety of principal, credit quality, diversification and adequate liquidity. Excluding cash and cash equivalents, the investment goal is to outperform an unmanaged hybrid index, 65% of which is the Morgan Stanley Capital International All Country World Index and 35% of which is the Barclays Capital U.S. Aggregate Bond Index. The performance of the portfolio is reviewed periodically to determine the most effective structure of the assets and investment managers to achieve these objectives.

The Corporation also sponsors unfunded nonqualified supplemental retirement plans (the "supplemental retirement plans") covering certain eligible employees. The weighted-average assumptions used in the measurement of the supplemental retirement plans benefit obligation and net periodic benefit obligation and net period benefit cost are consistent with the assumptions used in the measurement of pension plan benefits. At December 31, 2009 and 2008, the Corporation's supplemental retirement plans' accumulated benefit obligation exceeded the net supplemental retirement plan liability recognized in the statements of assets, liabilities, capital and surplus and, accordingly, the Corporation recorded additional minimum pension liabilities of $14,358,619 and $12,392,544, respectively, in general expenses due or accrued in the statements of assets, liabilities, capital and surplus.

B. Defined Contribution Plans

The Corporation sponsors a defined contribution savings plan (the "savings plan") covering substantially all of its employees and employees of certain participating subsidiaries. The savings plan allows participating employees to contribute a percentage of their annual salaries, subject to current IRS limitations. Employee contributions are matched by the Corporation at various percentages up to 5%. The Corporation's contributions to the savings plan were $12,901,818 and $11,533,017 in 2009 and 2008, respectively. In July 2009, the Corporation amended the savings plan to adopt a Section 401(k) safe harbor design, which means that the savings plan automatically complies with the nondiscrimination requirements of Section 401 of the Internal Revenue Code, effective January 1, 2010.

The Corporation also sponsors deferred compensation plans for certain eligible employees. Participating employees may contribute a certain amount of their annual compensation to the plans. The Corporation matches a portion of those deferrals and pays interest on those deferrals at various rates. The Corporation made matching contributions to the deferred compensation plans of $432,840 and $358,006 in 2009 and 2008, respectively. Deferred compensation plan liabilities of $33,266,655 and $33,973,406 were recognized in other liabilities and accrued expenses in the statements of assets, liabilities, capital and surplus at December 31, 2009 and 2008, respectively.

E. All Other Contingencies

A class action lawsuit was filed in September 2009 in the United States District Court for the Northern District of Illinois against BCBSA and twenty-three Blue Cross Blue Shield plans, including the Corporation. The complaint alleges that the defendants have violated and are continuing to violate the Employee Retirement Income Security Act ("ERISA") and the Racketeer Influenced and Corrupt Organizations Act ("RICO") by conducting retrospective provider payment reviews and audits and demanding immediate recoupment of amounts determined to be overpayments. The Corporation believes, based on consultation with legal counsel, that it has meritorious defenses to the claims in this matter, but it is unable to predict the outcome of this matter or to reasonably estimate a range of possible loss.

A lawsuit was filed in April 2009 in the United States District Court for the Western District of Pennsylvania by West Penn Allegheny Health System, alleging that the Corporation and UPMC violated federal antitrust laws by entering into an illegal agreement to restrain trade and by conspiring to create monopolies in the market for acute inpatient services and/or high-end tertiary and quaternary acute care inpatient services in Allegheny County, Pennsylvania and in the market for health care financing and administration for private employers and individuals in Allegheny County, Pennsylvania. In October 2009, the District Court dismissed the case with prejudice. The plaintiff has appealed to the Third Circuit Court of Appeals.

The Corporation is a defendant in a class action lawsuit in the Court of Common Pleas in York, Pennsylvania alleging violation of the Pennsylvania Nonprofit Corporation Law and breach of subscriber contracts by reason of its maintenance of allegedly “excessive” surplus. In January 2010, the court dismissed the suit. The plaintiffs have appealed to the Commonwealth Court of Pennsylvania.

The Corporation is subject to various other contingencies, including legal and compliance actions and proceedings that arise in the ordinary course of its business. Due to the complex nature of these actions and proceedings, the timing of the ultimate resolution of these matters is uncertain. In the opinion of management, based on consultation with legal counsel, adequate provision has been made in the financial statements for any potential liability related to these matters, and the amount of ultimate liability is not expected to materially affect the financial position of the Corporation.

15. Leases

A. Lessee Operating Leases

The Corporation leases office equipment, computer equipment and office space under various non-cancelable operating lease agreements that expire on various dates through 2018. Because it is not eligible to participate in a Pennsylvania-sponsored guarantee fund and in order to meet a licensing requirement of BCBSA, the Corporation has established and funded a trust for purposes of paying its claims liabilities in the event of its insolvency. The statement value of the trust was $282,395,835 and $277,353,984 at December 31, 2009 and 2008, respectively.

The Commissioner has determined that an appropriate sufficient operating surplus range for the Corporation is 550% - 750% of the health RBC ratio or the Department's consolidated risk factor ratio, whichever is lower. As long as the Corporation operates above the 550% ratio, the Corporation is not permitted to include a risk and contingency factor in its filed premium rates. If the Corporation's ratio exceeds 750%, it will be required to justify its surplus level and could be required to submit a plan to bring its surplus within the designated appropriate sufficient operating surplus range. At December 31, 2009 and 2008, the Corporation's health RBC ratios were within the appropriate sufficient operating surplus range of the Department.

In February 2005, the Corporation entered into a six-year Community Health Reinvestment Agreement with the Department. The agreement established an annual Community Health Reinvestment ("CHR") commitment for the Corporation based on certain Pennsylvania direct written health premiums and quantified the Corporation's minimum social mission commitment at approximately $116,000,000 and $110,000,000 for 2009 and 2008, respectively. Sixty percent of the CHR is directed by Pennsylvania and is dedicated to programs for uninsured persons of low income. Forty percent of the CHR is directed by the Corporation, subject to approval by the Department, and dedicated to permitted community health reinvestment endeavors. The Pennsylvania-directed net expenses were $58,681,794 and $60,711,125 in 2009 and 2008, respectively, and were reported in other expense in the statements of revenue and expenses. The Corporation-directed CHR obligation was reported in the statements of revenue and expenses as incurred.

NOTES TO FINANCIAL STATEMENTS

D. Uncollectible Receivable Balances

At December 31, 2009 and 2008, the Corporation had admitted assets of $363,316,386 and $401,126,043, respectively, in amounts receivable for insured and uninsured plans. The Corporation routinely assesses the collectibility of these receivables. Based upon the Corporation's experience, less than 1% of the balance may become uncollectible, and the potential loss is not material to the Corporation's financial condition.

E. Business Interruption Insurance Recoveries

None.

F. State Transferable Tax Credits

None.

G. Subprime Mortgage Related Risk Exposure

The Corporation's exposure to subprime residential mortgage-backed securities is comprised of investments within the fixed income investment portfolio that contain securities collateralized by mortgages or home equity loans that have characteristics of subprime loans, including deteriorating credit ratings, credit scores or delinquency rates. At December 31, 2009 and 2008, the book/adjusted carrying value of these investments was $15,704,555 and $6,724,094, respectively, which represented less than 2% of the Corporation's total fixed income portfolio. Other-than-temporary impairments of $0 and $575,340 related to these securities were recorded in the statements of assets, liabilities, capital and surplus at December 31, 2009 and 2008, respectively. The Corporation performs ongoing analysis of cash flows and other stress variables and manages its subprime risk exposure by maintaining high credit quality investments and by limiting the Corporation's holdings in these types of investments.

The Corporation had no direct exposure to investments in subprime mortgage loans at December 31, 2009 and 2008.

21. Events Subsequent

On February 12, 2010, a class action lawsuit was filed in the United States District Court for the Western District of Pennsylvania by a statewide ambulance association and a number of local ambulance service providers on behalf of all non-participating ambulance service providers against the Corporation, the three other Pennsylvania Blue plans, KHPW and Keystone Health Plan Central, Inc., a subsidiary of Capital Blue Cross. The suit alleges that defendants' practice of making benefit payments to enrollees, rather than making payments directly to plaintiffs, violates Pennsylvania law. The suit also accuses defendants of using threats of making direct payments to enrollees to coerce plaintiffs into entering into contracts with defendants and alleges that such practice is a violation of the RICO Act. Plaintiffs are seeking treble damages for unpaid services, interest and attorney fees.

22. Reinsurance

A. Ceded Reinsurance Report

Section 1 – General Interrogatories

1. None of the non-affiliated reinsurers listed in Schedule S was owned in excess of 10% or controlled directly or indirectly by the Corporation or any representative, officer, trustee or director of the Corporation.

2. None of the policies issued by the Corporation has been reinsured with a company chartered in a country other than the United States that is owned in excess of 10% or controlled directly or indirectly by an insured, a beneficiary, a creditor or any other person not primarily engaged in the insurance business.

Section 2 – Ceded Reinsurance Report – Part A

1. The Corporation has no reinsurance agreements in effect under which the reinsurer may unilaterally cancel any reinsurance for reasons other than nonpayment of premium or other similar credit matters.

2. The Corporation has no reinsurance agreements in effect such that the amount of losses paid or accrued through December 31, 2009 may result in a payment to the reinsurer of amounts that, in the aggregate and allowing for offset of mutual credits from other reinsurance agreements with the same reinsurer, exceed the total direct premium collected under the reinsurance policies.

Section 3 – Ceded Reinsurance Report – Part B

1. The estimated amount of the aggregate reduction in surplus from termination of all reinsurance agreements by either the Corporation or reinsurers at December 31, 2009 would not have had a material impact on the Corporation's statutory surplus.

2. No new agreements have been executed and no existing agreements have been amended since January 1, 2009 to include policies or contracts that were in force or which had existing reserves established by the Corporation as of the effective date of the agreement.

NOTES TO FINANCIAL STATEMENTS

B. Uncollectible Reinsurance

None.

C. Commutation of Ceded Reinsurance

None.

23. Retrospectively Rated Contracts & Contracts Subject to Redetermination

The Corporation estimates retrospective premium adjustments to earned premium for its group health insurance business by examining each group's activity and applying the appropriate contractual limitations. For the year ended December 31, 2009, the Corporation's net premiums written that were subject to retrospective rating features were $315,707,400, which represented 5.17% of total net premiums written. At December 31, 2008, the Corporation's net premiums written that were subject to retrospective rating features were $302,545,425, which represented 5.24% of total premiums written.

24. Change in Incurred Claims and Claim Adjustment Expenses

Reserves for incurred claims and claim adjustment expenses attributable to insured events of prior years decreased $41,481,167 and $1,688,284, respectively, during 2009 and by $22,299,052 and $1,092,653, respectively, during 2008 as a result of re-estimation of unpaid claims and claim adjustment expenses. The re-estimation decrease was generally the result of ongoing analysis of recent loss development trends. Original estimates are adjusted as additional information becomes known regarding individual claims. Favorable prior year claim development on retrospectively rated policies does not significantly impact surplus because such policies are subject to premium adjustments.
