As you know, insurance companies with more than .01 percent market share in homeowner multiple peril line in Delaware are required to complete an annual homeowners insurance rate survey, as stipulated by Regulation 704.

A document with instructions, provisions for rating and hypothetical consumer profiles to be used in the 2010 survey is now available by going to www.delawareinsurance.gov/survey/default.shtml. The page can also be accessed by going to the Department's website at http://delawareinsurance.gov/Services_ForRegulatedEntities.shtml and clicking on the link "Rate Survey Instructions" under Companies.

The deadline for completing the survey is May 1, 2010. Any questions, comments, or requests for clarification about the survey and submissions process should be emailed to michael.gould@state.de.us. Thank you in advance for your effort in providing this useful service to Delaware consumers.

This bulletin shall be effective immediately and shall expire on December 31, 2010.
