You may be able to get extra help to pay for the monthly premiums, annual deductibles, and co-payments related to the Medicare Prescription Drug program. However, you must be enrolled in a Medicare Prescription Drug plan to get this extra help. The extra help is estimated to be worth an average of \$4,000 per year.

The 2017 monthly income limits are \$1,508 if single and \$2,030 if married. The 2017 resource limits are \$13,820 if single and \$27,600 if married.

You can apply for extra help at any time of the year by calling our office at 1-800-336-9500 or go to www.ssa.gov/prescriptionhelp. There is no risk to call or apply.
