

**You can save more than \$100 a month with a Medicare Savings Program.**

Most seniors and individuals with disabilities on Medicare pay \$170.10 each month directly out of their Social Security check for their Part B premium.

All individuals enrolled in a Medicare Savings Program receives help to pay for their Part B premium. Individuals on QMB also save money on Medicare premiums, deductibles and coinsurance.

**You may save an average of \$425 per month on prescription drug cost with the Low Income Subsidy "LIS" program.**

The average monthly premium for a Medicare Part D prescription drug plan is \$33.00. Individuals enrolled in LIS receives help to pay for their Medicare Part D premium, lower their co-payment amounts and avoid the donut hole. People on LIS also pay no Medicare Part D late enrollment penalty.

DMAB offers free health insurance counseling to people of all ages with Medicare in Delaware. DMAB can help with questions about Medigap plans, Medicare Part D, Medicare Advantage plans, and more. DMAB is always looking for volunteers to become counselors. You can help make a difference in your community.

**If you are living on a low income and have limited resources\*, you can start saving money right now on your Medicare costs.**

Through the Medicare Savings Program, you can save more than \$100 a month in Medicare Part B premiums.

Delaware offers three types of Medicare Savings Programs based on your income and assets:

- Qualified Medicare Beneficiary (QMB)
- Specified Low-income Medicare Beneficiary (SLMB)
- Qualified Individual – 1 (QI-1)

And, through a Low Income Subsidy (sometimes called “Extra Help”) you save an average of \$425 a month in Medicare Part D premiums and prescription costs.

\*Your home and one vehicle are not counted as assets.

## TWO STEPS TO START SAVING

- 1. Take a look at the chart on the right and see which programs best describes you.**
- 2. Then call 302-674-7364 or 800-336-9500 (toll-free in Delaware)**
