Our Workplace Safety Program inspectors are not state employees. They are independent safety experts under contract with the Delaware Insurance Department. This fee schedule is not applicable for inspections conducted by workers compensation insurance companies.

Contractors (for example - general, electrical, lawn care, etc. with varying jobsites) follow the contractor fee schedule. Most other businesses (for example - restaurants, retail stores, daycare centers, etc.) follow the businesses with permanent locations portion of the fee schedule.

FEES MAY BE ADJUSTED UNDER CERTAIN CIRCUMSTANCES. For businesses with more than one home base or more than one building at their location (for example - shops, offices, warehouses, etc.) additional fees may apply for size, complexity of operations, and/or distance between locations.

If you are unsure of your fee, please send in a minimum of \$200. You will be invoiced for the balance due.

Make your check payable to Delaware Insurance Department. Sign and date your check. You may email, fax, or mail your questionnaire. Mail your fee and, if sending your application electronically, please mail the top page of your completed questionnaire with your inspection fee to:
